

Beverages

Our Wine Directors & Bartenders are available by phone, email or in person to help guide you with your beverage selections. Please let our Event Planners know if you have any specific requests and we will do our best to accommodate your request. All beverages are charged as ordered, based on bottle or per drink pricing.

WINE: Typically we select 2 whites and 2 reds based on a price range from you. Our wine selections start around \$30 per bottle and go up from there, and are charged as opened. [Purple's Full Wine List](#) is available for ordering.

BEER: We offer a variety of draft and bottle selections, please let our Event Planners know if you have a specific beer in mind that isn't on our list and we will do our best to accommodate your request. All beers are subject to availability. We recommend choosing 1 draft and 2-3 bottled options, or 3-5 bottled options. If you don't have a preference we will select a variety of bottled beers that will be offered, average price \$5 each.
