Look no further! Blythewood is absolutely beautiful and the perfect setting for your wedding. Ask the governor, we hosted his wedding! There may be a short drive involved, but this is why our prices are so low and the food is great! In addition to our Catered Packages, we offer Rental Only Packages too, and will discount our rooms for overnight lodging as well! We specialize in what we call "Weekend Weddings". You would rent the entire mansion, including the bed and Breakfast rooms, and have the place to yourselves from Friday at 4pm til Sunday at 11am. You would check in on Friday have rehearsal and dinner, unless you have plans elsewhere. We offer formal sit down dinners as well as informal. You may decide you want to do it yourselves for a small rental fee and have a crawfish boil, BBQ, or have your Uncle Boudreaux make his famous gumbo! We are one of the very few places that give you the flexibility of supplying your own food and beverages, including alcohol.
