

LOVE IS IN THE AIR AT QUAILS' GATE

Every year we're proud to be a part of so many special occasions - from celebrating anniversaries and getting engaged, to an intimate wedding ceremony or elopement at one of our lakefront properties. With our breathtaking views of Okanagan Lake and our estate vineyard, our award-winning culinary team at Old Vines Restaurant offers an all-season farm-to-table culinary destination serving up the ultimate food and wine experience.

Whether it's for a couple or an intimate group of friends and family, we'd love to pair your perfect moments.

Our winery accommodations are located on the lake just below our estate vineyards.

The Lakehouse is a luxurious lakefront home that is the perfect getaway for a couple's retreat or intimate private wedding.

The Nest is a cozy beach-front cottage with three bedrooms and a loft, sleeping up to 7 people.
