Tranquility

\$650 - \$850

Our most affordable service, our **Tranquility** package is essentially a simplified form of day-of wedding coordination. It works well for those with smaller weddings (under 75 guests) or for couples who would like a hand with some specific details on their wedding day – maybe arranging your décor or DIY items, being cued for your ceremony, or having a dependable go-to person on your special day, so you can relax and have fun!

Inclusions:

- ✓ One introductory, Details meeting, to go over the essentials of your wedding day (approximately 1-2 hours).
- ✓ 6-8 hours of wedding day coverage and management, with one assistant until dinner service*. This also includes setup of small cosmetic details (such as receiving table décor, place cards and favours, and other miscellaneous items). As long as time permits, Historia can set up or transfer other items from your ceremony to your reception, upon request.

Bliss

\$1250

Our **Bliss** package starts 4-6 weeks before your wedding day – or later, if your wedding is fast approaching and you're on a time crunch! This is largely a month-of service, going much further than our **Tranquility** package.

Inclusions:
