Lake Breeze Terrace

Lake Breeze Terrace is part of Lake Breeze Resort located lakeside on Lake of the Ozarks in Camdenton, MO. Offering beautiful views of the lake at sunset, it is a very special place for any type of social gathering.

- The Terrace has an interior space with large beautiful windows facing the lake and garden area. The exterior has two spaces. (1) The deck area faces the lake and (2) a lovely garden area along the non-lake side of the building
- The interior is a perfect place for a small wedding, shower or party. The décor is a vintage black and white which allows for any additional colors and the linens are white with either beautiful antique wooden chairs or white slips covers.
- Having parties just got easier with the help of the site coordinator and event planner which is included in all packages.
