# Behind the Scenes Program

Experience what it is like to work with these amazing animals

Safe and controlled interaction with animals in the zoo is an effective educational tool to encourage public awareness, understanding and concern for wildlife. The animals themselves have been socialized since birth and enjoy all this personal attention!

> After a brief orientation and some instruction, you will have the chance to work with an Animal Coordinator

#### Please contact us for more information or to make arrangements

Behind the Scenes interactions are a great engagement or wedding surprise, birthday or special occasion gift - especially for people who want to make a memorable donation to a cause that helps at-risk species!
