Our events coordinator provides her personal cell phone number for your convenience, and in addition to planning your entire event with you she will also be on site on the day of your wedding for an 8 hour period of your choosing. If you choose to have a ceremony we will also schedule a rehearsal for you free of charge. You will need to bring someone to perform the ceremony and marry you. All food and beverages are purchased separately and must be provided by Arbor Brewing Company, with the exception of the wedding cake and other desserts.
