

ABOUT US

at northampton country club

You're invited to come see our lovely fireside dining room. The open floor plan of the room allows up to 150 of your guests to be seated comfortably. Terrace seating, accommodating up to 20, is available for those warm, balmy summer nights. Fine food served in a relaxed atmosphere overlooking the golf course makes the Northampton Country Club a beautiful spot for your special day.

Our coordinators will gladly help you with your specific needs. The contemporary and gracious design of our dining room allows for DJs and dancing, photographers, raffle tables, video screens, and endless opportunities for you to host the perfect function. The Northampton Country Club is a wonderful place for fundraisers, weddings, and family gatherings.

Let us help you to plan your special occasion.
