Beautifully restored and renovated meeting space totaling over 5,700 sq. ft., Boone Tavern Hotel offers six separate event rooms available for 6 to 160 guests.

Skylight Room, 851 Sq. Ft. accommodates up to 48 guests banquet style and 75 theater style. The room features state of the art audio visual equipment and large original skylights with retractable blinds for natural lighting.

Robinson Room, 270 Sq. Ft. accommodates up to 14 guests banquet style and 16 theater style. The room features state of the art audio visual equipment, a natural gas fireplace and two walls with beautiful windows.

Coyle Gathering Room, 1,520 Sq. Ft. accommodates up to 80 guests banquet style and 100 theater style. The room features state of the art audio visual equipment and a sliding divider wall to create two breakout rooms.

Bowling Dining Room, 2,214 Sq. Ft. accommodates up to 160 guests banquet style and 120 theater style. The room features original hard wood flooring, large windows for ample natural lighting, built-in banquette eating and crystal chandeliers.

Lincoln Lounge, 380 Sq. Ft. accommodates groups for registration, breaks, and vendor set-up; features a natural gas fireplace, large windows and French doors opening to the porch.

Elizabeth Ann Dunseth Lounge, 483 Sq. Ft. accommodates up to 16 guests banquet style and 20 guests theater style. The room features large windows for ample natural lighting, fine furnishings for added comfort and two adjoining guest rooms.

As a Gold Certified LEED Green hotel, Boone Tavern provides an eco-friendly environment for customized meetings and events. These eco-friendly features include:

- Energy efficient heating and cooling systems which reduces annual energy consumption by 17.6%
- Low emissivity windows, Energy Star lighting, solar tubes and skylights reduce electrical consumption
- Low volatile organic compound paints, adhesives and carpets minimize ozone and other air pollutants
- Increased ventilation improves fresh air circulation
- A smoke-free environment
- KY Proud and locally grown ingredients for a “farm to table” dining experience
