TO BEGIN

Your guests enter through the Gathering Hallway, where they order beverages or a welcome cocktail from the Private Dining Bar open exclusively for your use. Each round table in Private Dining is set with white linen, white china, Riedel wine glasses, and bread baskets holding warm Calabrese loafs, hearty Multi-grain rolls, & crisp bread sticks. Both Extra Virgin Olive Oil for dipping & fresh Butter for spreading are also provided. As guests seat themselves, their choice of entrée from the personalized menu is taken by our service staff. You may also add a pre-meal appetizer (at a cost) for your guests to enjoy before the meal, if you wish.

If you are holding a meeting, award presentation, or other program before the meal we will gladly pause service at this time, allowing your guests to enjoy the appetizer(s) during the program. It is our policy that no food service will be performed during any program, speech, or presentation in order to prevent distractions or interruptions.

THE MEAL

With every Individually Plated meal, your guests first enjoy your choice of a soup course or a salad you've chosen. A pasta course that you select is next, followed by each guest's choice of the pre-determined Main Courses, with coordinated vegetable, that you've picked.

AFTERWARDS

After your meal, Italian cookie plates, gelatto, or sorbetto that you'll choose when you plan the event are served. You are also free, at this time, to use the Audio/Visual system (with Management assistance only) for any additional presentations or promotional media desired, thru the remainder of your event time.
