A bride and groom are shown in a wine cellar, surrounded by rows of wooden barrels. The groom is on the left, wearing a dark suit and a light-colored tie, and the bride is on the right, wearing a white lace wedding dress. They are looking at each other and smiling. The background shows several large wooden barrels with metal bands, and some circular vents or lights on the wall.

Congratulations!

Thank you for considering City Winery New York for your upcoming wedding. Our team would love to celebrate with you! With the ability to host everything from intimate gatherings of 20 to 50 guests, 100 to 185 guests for a seated dinner, to cocktail-style events of up to 300 guests, our goal is to assist with stress-free planning and create evergreen memories. We look forward to bringing your vision to life!

The Main Restaurant

Our 7500-square-foot restaurant combines the rustic appeal of wine country with modern capabilities and amenities, including our top-of-the-line Meyer Sound sound system and a full-size stage to host top musical acts or DJs. Your designated Event Planner will design versatile floor plans to accommodate your full wedding ceremony and reception. Our space can host up to 185 guests for a seated dinner and dancing, and up to 300 guests for a cocktail-style reception. We can also host more intimate groups of 75 to 100 guests in this space.

The Winery & The Barrel Room

We transform our working Winery and our tasting room, the Barrel Room, into the backdrop for your wedding cocktail party or dinner, complete with stainless steel tanks lining the walls and wine tapped straight from our barrels. These rooms provide a fun cocktail hour space for larger weddings up to 185 guests with a reception to follow in the Main Restaurant, or can be privatized for intimate wedding ceremonies, cocktail receptions and dinners of 40 to 70 guests.

The Loft at City Winery

Located on the second floor of our venue, our newly constructed Loft space channels urban NYC with high ceilings, wooden floors and classic red brick walls. It is a great add-on option for your ceremony or can be used on its own for groups of 75 to 150 guests.

An optional stage setup is available for live entertainment.

Private Dining Rooms & Greenrooms

Complimentary spaces are available with the use of the Main Restaurant. These rooms offer great options to use as bridal suites, to unwind prior to the ceremony, or as rooms for your vendors.
