Full Facility Package

With 62,000 square feet of space, Great Lakes Aquarium is the perfect location for all events, from fundraisers to conference socials, seated banquets to strolling hors d'oeuvres receptions.

Main Level

Several distinct spaces create the perfect atmosphere for your event.

Lobby: A wide open space backed by a 24-foot lighted water wall. This area can be used for greeting and mingling or for more formal seating. When the lights are turned down and the music is turned up, the lobby becomes a festive place to celebrate - from first dance through last call.

Exhibit Galleries: A bar set up close to the Aquarium's largest exhibits is a stunning area for a cocktail hour. For a \$150 upgrade, divers will hand-feed sturgeon and trout as your guests look on. Benches are available for casual seating, and there is plenty of room to add cocktail tables for hors d'oeuvres.

The first floor also houses *Global Connections'* saltwater displays, *Amazing Amazon* and *Shipwrecks Alive!* galleries and *Unsalted Seas'* 9,000 gallon sturgeon touchpool (open until 10:30 p.m.)

Second Level

Upstairs galleries offer beautiful backdrops for seated meals.

Origins: This space - featuring ancient fossils and creatures from across the animal kingdom - accommodates the bulk of seating.

Exhibit Galleries: Additional seating (up to 160 total guests) can extend in front of the *St. Louis River* and *Wetlands* exhibits showcasing habitats of Northern Minnesota. A bank of floor-to-ceiling windows overlooks Duluth's Aerial Lift Bridge. In front of the *Baptism River*, a head table is in view of all the guests. *Critter Corner* provides the perfect location for a buffet.
