ONE STEP AT A TIME

TEAM BUILDING - 2 HOUR EXPERIENCE

“MANY HANDS MAKE LIGHT WORK.”

- John Heywood

BIG Red Wagon

In this team building activity teams will work together to build a Red Wagon as well as assemble a care package for the charity of your choice! Teams will answer trivia questions to receive wagon parts and participate in a physical challenge for charitable items. Teams will answer the questions and take their answers to the numbered stations to gain wagon parts.

Once teams have received all the wagon parts they can start the building process. Teams will need to install nuts and bolts, check tire pressure, and install wooden side bars and the handle! While team members are building their wagons other members will need to design and create a canvas cover for the wagon. Each canvas will need to have a message on the canvas about the Team and/or the Charity.

These beautiful wagons and care packages come into creation only with team collaboration and hard work! Teams create an amazing heartfelt moment as they donate their custom wagon full of supplies to families or children who have been less fortunate. The smiles are a mile wide as the families and children visit with each team and are presented with their wagon and care package!

(8 – 10 people per team) (3 team minimum) (Includes care package items)

Rocking 'Wild Horse'

This is a team-building event with a real purpose. In the time allocated, your team will assemble and paint (2) rocking horses which will be donated to a children's association of your choice. Each team will have the opportunity to paint any design on to their horse. It could be a zebra, a quarter horse or just a crazy design that best describes their team. Teams will also need to create (2) cards with the supplies they have been given for each rocking horse. A team picture will be taken with the team and the rocking horse. The picture along with the finished rocking horse will be presented to the child.

Once teams have completed their rocking horse and card, they will participate in an exciting team challenge called Corral Building. Each team will be given instructions to build a corral. The team must work together to build a corral that is completely enclosed with the entire team as well as the rocking horse inside the corral. This is a race against the other teams. One thing is certain; everyone will feel good about themselves after this event and have a great time doing it.

Two-Wheeled Horse

This is for those with a passion of high competition, but tunneling those emotions towards a real purpose in this teambuilding event. Your group will be put into teams and will be using their building skills, artistic talent, and their team dedication to build one boy bike and one girl bike as well as make two cards. Teams will participate in custom mental and/or physical challenges to earn those bike parts to build together! All teams will be given the same supplies on their tables (wrenches, screwdrivers, pliers, scissor and markers).

Once the bicycles have been built, one representative must take the bike to the air station and fill the tires. After that is completed the team must then get the bicycles inspected by the safety inspector to ensure that they are safe for the children to ride. Lastly, the team who achieved the best score during the mental and/or physical challenges will ride away with custom medals! This competition can also be incorporated into a charity donation.

TIME TO GET COOKIN'

TEAM BUILDING -2 HOUR EXPERIENCE

"IF YOU CAN'T STAND THE HEAT, GET OUT OF THE KITCHEN."

- Harry S. Truman

Sizzlin' Chili Cook-Off

The Goal: To create a recipe for award-winning chili!

Here's the fun part... In addition to creating the perfect chili, they must also decorate their Kitchen Station.

Here's how it works... The group will be separated into teams with 4-10 members per team. They each get a colored bandana to differentiate teams. Note: For larger groups, everyone will receive a white apron and a custom designed runners bib with the group logo and their team number. We'll provide the key ingredients needed for making chili... then it's time to get creative!

Teams will have a chance to 'win' their choice of additional ingredients and/or tablescaping props by participating in different challenge stations where they will earn Cowboy Bucks that they can use to buy items at the General Store.

Our official tasting judges will score each team on zest, taste, original flavor and best all around chili. Judges will also grade teams on their 'Tablescaping'. A combined score of the Chili Tasting and Tablescaping will give us our 'Chili Champions' of the day!

**Please note quantities of chili cook-off will be sample-size.*

WILD WEST WRANGLING

TEAM BUILDING - 2 HOUR EXPERIENCE

“YOU CAN LEAD A HORSE TO WATER, BUT CAN'T MAKE HIM DRINK”
- Proverb

Moooving Along

This is a real western team building event – riding horses and herding cattle! We offer a great Cattle Drive through a small portion of the Sonoran Desert on the Yavapai Indian Community Land. On this Cattle Drive you would mount up on your horses and move a herd of cattle across the land. The ranch hands and wranglers will teach you how to keep the herd together and moving, and instruct you on the unique language of the open range. This cattle drive is a perfect way for any city slicker to come out and be a real cowboy for a day. Once your mission is accomplished, you'll take a leisurely ride back to the ranch house where you can dust off your boots and relax. Our cattle drives are sure to be an event like no other and one you won't soon forget.

Rodeo Rumble ~ Western Round Up

The Goal: Teams compete in six Cowboy Games to try and earn as many points as possible for their team.

Here's how it works... The group will be separated into teams with 4-10 members per team. They each get a colored bandana to differentiate teams. Note: For larger groups, everyone will receive a custom designed runners bib with the group logo and their team number. Our Cowboy emcee will welcome everyone and direct them to their designated team gathering station, which will be a giant megaphone with a bandana tied to the handle - one for each team.

Their first assignment is to designate a head wrangler. The head wranglers will be brought to the DJ station and given their instructions and Cowboy Bucks, which correspond to the chosen Cowboy Games.

Teams will then participate in the six different cowboy game stations where they will 'earn' points for their team. Throughout the event, the emcee will be doing commentary from the games, inviting people to do individual challenges to earn additional points for their team, etc... with music playing to keep the enthusiasm up. Scores will be kept and tallied at the end to come up with our RODEO RUMBLE CHAMPIONS OF THE DAY!
