## *Testimonials*

"Our experience with the Powelton Club was tremendous from the beginning. Our first inquiry was responded to promptly by Rebecca, and we were given a selection of convenient times to view the grounds and the reception space. We fell in love with the venue mere seconds after getting out of the car, and we were nearly ready to give our deposit after being inside for less than five minutes. I cannot stress enough how helpful Rebecca was throughout the entire process. From menu selections, to help with vendors, to her willingness to quickly respond to emails nearly 24/7, Rebecca was there for us. There was not a single moment we felt overwhelmed or out of the loop with what was going on behind the scenes. By the time we got in for the tasting we didn't have a single worry...Every one of our guests raved about the food, the friendly service, and the venue itself. Choosing the Powelton Club was the best decision we could've made, and we have no regrets whatsoever. Book your wedding here before the secret gets out about this place and somebody else takes your date. This is THE place in the Hudson Valley to get married." ~ Hayden, Groom 2018

"...I had to come on and write a review ASAP. I can't say enough wonderful things about the event coordinator, Rebecca, the staff, the food and the venue. Rebecca was fabulous to work with from start to finish. We hit it off as soon as we met! She was phenomenal, has amazing attention to detail and made our day absolutely the dream wedding that we were looking for. The food is 5 star culinary quality, you'll enjoy a tasting of your menu prior to your event. We chose to have a raw bar and antipasto bar and it was amazing. Everything was so fresh and cold. We had filet and lobster as one of our dinner options, again amazing...All of our guests are still raving about the food and the night. The bar staff and wait staff are professional, courteous and very attentive to you and your guests needs...There is a beautiful tree to get married under if you choose to have your ceremony there. I can go on and on about the venue. The pricing was spot on, the food offerings were diverse and the service again was top notch. We were looking for a place to have an intimate wedding, we had just under 50 people and the Powelton Club was a wonderful choice. I look forward to having our next catered affair at the Powelton Club." ~ Rebecca, Bride 2018

"We had our wedding last weekend and The Powelton Club crushed it. Rebecca who works there is an absolute pleasure to work with and really helped to make sure everything ran perfectly. The food was phenomenal and so many guests said how they couldn't believe how the club was able to provide so much food at such high quality. We were married outside and the views between the pictures we took and the ceremony were magical. I would definitely recommend the club to anyone!" - David, Groom 2017
