AT THE SUMMIT

a variety of  
worry-free  
spaces for your  
wedding

## Welcome

This campus has been community-grown since 1904, and while it's had many names, it still is proud to be in the heart of the '07.

Our event staff has been providing a variety of creative spaces for business and private clients to gather for events, meetings, and big ideas. Now they are proud to offer venue space for the next chapter in both our story and yours - specifically designed with weddings in mind! Imagine having a garden setting wedding without having to worry about the weather!

Psst... Your photographer will thank you for the amazing natural light *and* being so close to Foster Park! Your caterer will thank you for the generous prep space!
