

GETTING STARTED on planning your celebration is an exciting time. Our staff will work with you to create your special event on our property. Appointments are requested for private guided tours of our facilities and grounds. Please call (724) 586-2591 or email events@aswp.org to request your tour.

SUCCOP NATURE PARK is one of Audubon Society of Western Pennsylvania's three public properties. Located in Butler, PA, just off of Route 8, the Nature Park is an environmental and cultural resource center that provides programs that connect people to nature.

Directions

Audubon at Succop Nature Park is located at 185 West Airport Road in Butler, PA.

From the north, take Route 8 south from Butler for approximately 7 miles. Turn right onto West Airport Road. The Nature Park entrance is the first drive on your left.

From the south, take Route 8 north (12 miles from the PA Turnpike) and turn left onto West Airport Road. The entrance to the Nature Park is the first drive on your left.

Celebrations

AT SUCCOP NATURE PARK

Special Occasions

Succop Nature Park is available for corporate parties, bridal showers, rehearsal dinners, and special events. Our 1830 MarCraig House and outdoor pavilion are fully equipped with tables, chairs, prep area, and accessible restrooms.

CATERING: Medure's Catering is our exclusive catering partner. Please visit our website at aswp.org to see example menus. *We do not provide beverages, alcohol, flowers, or musicians but will provide referrals upon request.*

Your Wedding Days

It's a day you've dreamed about. A perfect celebration, surrounded by the people you love in a natural, welcoming setting.

Succop Nature Park's 50 picturesque acres, outdoor ceremony and reception area, and ponds create a memorable backdrop for your wedding and/or reception. You and your guests may enjoy cocktails in the 1830 MarCraig House, take in the beauty of our peaceful nature trails, then dance the night away under the stars.

Be sure to ask us about white dove releases for your event!

As an environmental organization, we are committed to utilizing reusable or high-quality recycled materials at our events.
