### Pin-Sanity

12-75 players // \$625 for first 24 players, \$23 per additional player

The only bowling game that gets you rolling in the aisles! We've reframed the classic game you thought you knew to include some very unique alterations focused on working together. An on-site Game-Master helps you color outside the lanes in such twists as: bowling with kaleidoscope goggles, tandem rolls, most creative team shot and more! Even the most experienced gutter-punks need the help of their teammates to strike it rich. This game is slightly challenging, highly interactive, humorous, and great for building camaraderie and rapport.

### Bizarre-Cade

15-75 players // \$575 for first 24 players, \$23 per additional player

High-comedy meets high-scores in this unusual take on arcade gaming competitions. Teams will have to move fast, work together, and think outside the box to attain victory in these quirky variations on arcade favorites. Face off against the competition in blindfolded skeeball, backwards motorcycle races, trick shot hoops and much more. You'll be blown away when every team is knee deep in the thick of the competition. This game is challenging, highly interactive, and features truly unique team building competition.

### Bocce-Heat

12-40 players // \$525 for first 20 players, \$23 per additional player

Your team will compete in a fun and wacky bout of Bocce Ball unlike any other! Players will need to work together to conquer bocce obstacles as each round comes with a team-oriented challenge. An on-site Game Master will have players working together in ways that are out of the ordinary and a ton of fun! All teams must have quick wit and strong competitive skills to be the Champion!

### INTRODUCING

Best of luck and may the best team win!
