Typical Itinerary

CHECK IN

At check in you will receive your name tag and further clues describing your character. Familiarize yourself with these clues and start getting into character!

COCKTAIL PARTY

The cocktail party will begin after checkin. This will be the time to take photos with the other characters before the evening commences. The host will further explain the events of the evening and the game will begin!

ROUND ONE

This is where you receive your first round clues that will break the ice, build your character, and establish motives for murder. There are 2 sets of clues on your card: those to reveal to others and personal clues to conceal. As in real life, you know more about your character than anybody else. As you mingle around the room you observe that everyone has some suspicious characteristics about themselves. Take time to get to know everyone and focus on the storyline that is building around you.

BONUS GAMES (OPTIONAL)

DINNER

ROUND TWO

After the cocktail party and dinner, the motives should become clear this round. The victim will be revealed and the investigation will continue. You will continue to interrogate everyone, view the evidence, and put the pieces together to make your best guess of whodunit!

DESSERT

During dessert you will make an accusation of who you think the murderer. You will hand in your solution and the solution will be exposed. At the end the murderer will confess!

- Do not break character until the game is over! Even during bonus games
- Play your role as your wish but do not fabricate clues (unless your card specifically instructs you to) as this will spoil the mystery for others.

NEXT MORNING

Enjoy a delicious breakfast at our hotel restaurant

FAQs

HOW LONG DOES THE DINNER LAST?

The mystery dinner party lasts around 2-3 hours typically. But the length and structure of the game can be changed upon request!

Example: A typical mystery dinner party starts around 6:30pm and ends around 8:30 or 9 depending on the group. But if you are doing on overnight stay, the mystery could start around 4 or whenever the group checks in and we can add some additional party games and surprises in before the dinner around 6:30pm. Adding these additional games will give you more time to get into character.

An example of extra party games for the Vegas Murder Party would be adding a card tournament into the mystery game.

WILL THERE BE ALCOHOLIC BEVERAGES?

We do not serve alcoholic beverages but you are free to bring your own!

DO WE PICK OUR CHARACTERS?

Your group leader is given the option to assign everyone their character or you have the option to have us assign them to each person participating.

1920S MURDER AT THE GRAND GATSBY SPEAKEASY

It's the height of Prohibition in 1920s Chicago, and there's a mob war brewing between the South Side Gangsters and the Northern Chicago Mob Outfit. The two ruthless crime leaders Hal Sapone and Beanie O'Dannon have finally reached an agreement on bootlegging practices in Chicago and have decided to pull together resources to undergo a collaborative effort with criminal endeavors. On the surface, this strategy seems similar to bailing out a sinking ship with tin cups, nevertheless. Recently, gangsters from the north and south have been spotted together at various speakeasies throughout Chicago, but the tension in the air is always thick enough to be cut with a knife. However, this newfound relationship between the opposing mob bosses has served, thus far, to inhibit gratuitous bloodshed as in the past. Part of the success of this truce is that both crime bosses have found new dames, thereby intertwining more mutual relationships between the two factions. The two gangs have set an official date to meet at Hal Sapone's Grand Gatsby Speakeasy to resolve all remaining differences. Will these two underground organizations resolve their disputes or will a massive melee erupt, rekindling the fatal flames between them? This is where your story begins.

THE RAVEWOOD MASQUERADE

Bloodworth Falls is an isolated town plagued with scandals. The townsfolk bicker in the streets, and many believe the local government is corrupt. Nevertheless, the mayor is hosting a mysterious masquerade ball in the old Ravenwood Castle. The tickets to the event have sold out in record time. The townspeople are curious to find out why the mayor would put effort into doing something positive in this hopeless town of gloom. Anticipation for the event hangs thickly in the air, and many are already hunting for the perfect mask. You are worried what will happen on this night when toxic people come together. You are alarmed, as you didn't purchase your ticket - it was placed in your mailbox in an unmarked envelope. Somebody wants you there, but you don't know why. This is where your story begins.

CASINO NIGHT MURDER

The most highly anticipated VIP party in Las Vegas is almost here! The Cosmo Casino & Resort is set to host a world class soiree for celebrities, news media, and a few Vegas locals that were lucky enough to score tickets. Some of the most prominent figures of our time will be in attendance and this will certainly be a night to remember. However, there is a situation. The city of Las Vegas has been terrorized by a serial killer with an MO of attending VIP events held on the strip. The killer, known as the Sin City Slayer, chooses victims from unsuspecting party guests. The Las Vegas police are currently working with federal agencies to catch this deranged predator. Hopefully, the killer doesn't have a ticket to this event. This is where your story begins.

UGLY CHRISTMAS SWEATER PARTY

The Snowflake Lodge is hosting an ugly Christmas sweater party again this year. The townspeople of Snow Falls are excited about the holiday celebration, as the lodge is where the who's who of society will flock to show off their not-so-fashionable holiday attire. Unfortunately, sparks have flown between some of the guests lately with rumors of blackmail, greed, and revenge. However, everyone has high hopes that the holiday spirit will be enough to quench the scandals - at least long enough for everybody to have a good time at the party. You've received your ticket to the party. Now it's time to hunt for the tackiest holiday sweater you can find. This is where your story begins.

1950S EASTSIDE STORY GREASER MYSTERY

It's 1955 and Fontaine City has a problem with teenage street gangs. In the east, there's a hot rod racing gang called the D-Birds. Their ladies are members of the girly clique called the Pink Chicks. These rebels attend Ryder High and spend their free time at Frosty's Diner. The Pit Viper motorcycle gang runs the west side of town, and their ladies are the Black Widows. These hooligans attend Tuscadero High School and frequent the local hangout - the Milkshake Shack. If either of these gangs ends up on the other's turf, a white knuckle rumble may break out and cause chaos in the streets.

At Ryder High, the cheerleaders have formed an organization known as Campus Crew which was created to focus on reducing criminal activity in the city. The founders firmly believe that bringing the teens of Fontaine City together will solve the gang problem, so they have scheduled the Friendship Sock Hop. To their surprise, everybody that was invited has sent in an RSVP! This should be a night to remember!

The Campus Crew has promised peace and harmony for this evening of forming new friendships and working out a truce between the east and west of Fontaine City. You have been invited. This is where your story begins.
