Your Wedding at the Boylston Rooms

At the Boylston Rooms your wedding day is a truly special occasion.

Here, we are completely focused on you and your event. The Boylston Rooms only hosts one wedding per day, so we can attend completely on you and your guests. Our professional staff does your setup, decorating and breakdown, so you and your wedding party can fully enjoy your day. Our luxurious wedding suite has the space and amenities for your wedding party to get ready here at the venue and is yours to use for the entire day. Your dedicated event coordinator oversees all the events of the day and helps at every stage of the planning process.

Relax, enjoy your wedding day and create the memories that will last a lifetime. Here at the Boylston Rooms, we're all about you.

Boylston Room East

The 2,600 square foot BOYLSTON ROOM EAST can accommodate celebrations of many sizes, from intimate cocktail receptions to seated dinners for 150 guests with a dance floor. It can also be a ceremony venue, seating up to 275 guests.

Boylston Room West

A gracious and flexible space, the 3,800 square foot BOYLSTON ROOM WEST can accommodate up to 300 guests at a seated dinner or can be used divided for a ceremony and indoor social hour.

The Waterfront of the Lower Mill Pond

The waterfront of the Lower Mill Pond is a fantastic spot for a small outdoor ceremony and is a lovely photography location. Just behind the mill, the wildflower meadow offers spectacular views of Mt. Tom and the Holyoke Range.

The Garden Courtyard

Whether you're planning a social hour, late-night snacks or an elaborate send-off, the Garden Courtyard is a great space for guests to mingle outdoors and is adjacent to both event rooms.

Industrial Style

The circa-1900 textile mill has ample opportunities for great photography.

Wedding Suite

Our spacious wedding suite is yours for the full day of your wedding. The many amenities, including chilled champagne, a sewing and dress repair kit, private bathroom, and plenty of comfortable seating make this a relaxing and enjoyable place to get ready for your day.

All-Inclusive Amenities

We include everything you need to make your day beautiful: bistro lights and string lights, a wedding arch or chuppah, personalized welcome and wayfinding signs, heaters for the Garden Courtyard, table numbers, centerpieces, and an envelope box.
