## WELCOME PARTIES/REHEARSAL DINNERS

Bring the family together for a rehearsal dinner inside the Event Center with music, toasts, and slides of the happy couple projected onto our drop-down screen. Then, head up to the roof for a welcome party with all your guests and kick off the weekend's celebration with a sunset toast. Rehearsal dinner and welcome party events include the same comprehensive package as our wedding events. The only difference is the amount of time!

- 8 total hours (additional time can be added to the rental fee)
- 4 hours of party time + 3 hours of pre-event set up time + 1 hour of post event clean up time

For events that include the Rooftop and the Event Center, simply take \$500 off the rates above. Events can be held inside the Event Center year-round. Please inquire for rates for the Event Center without the Rooftop.
