Your One-Stop Event Planning Shop

*Georgian Conference and Event Services is your partner in the event planning process.*

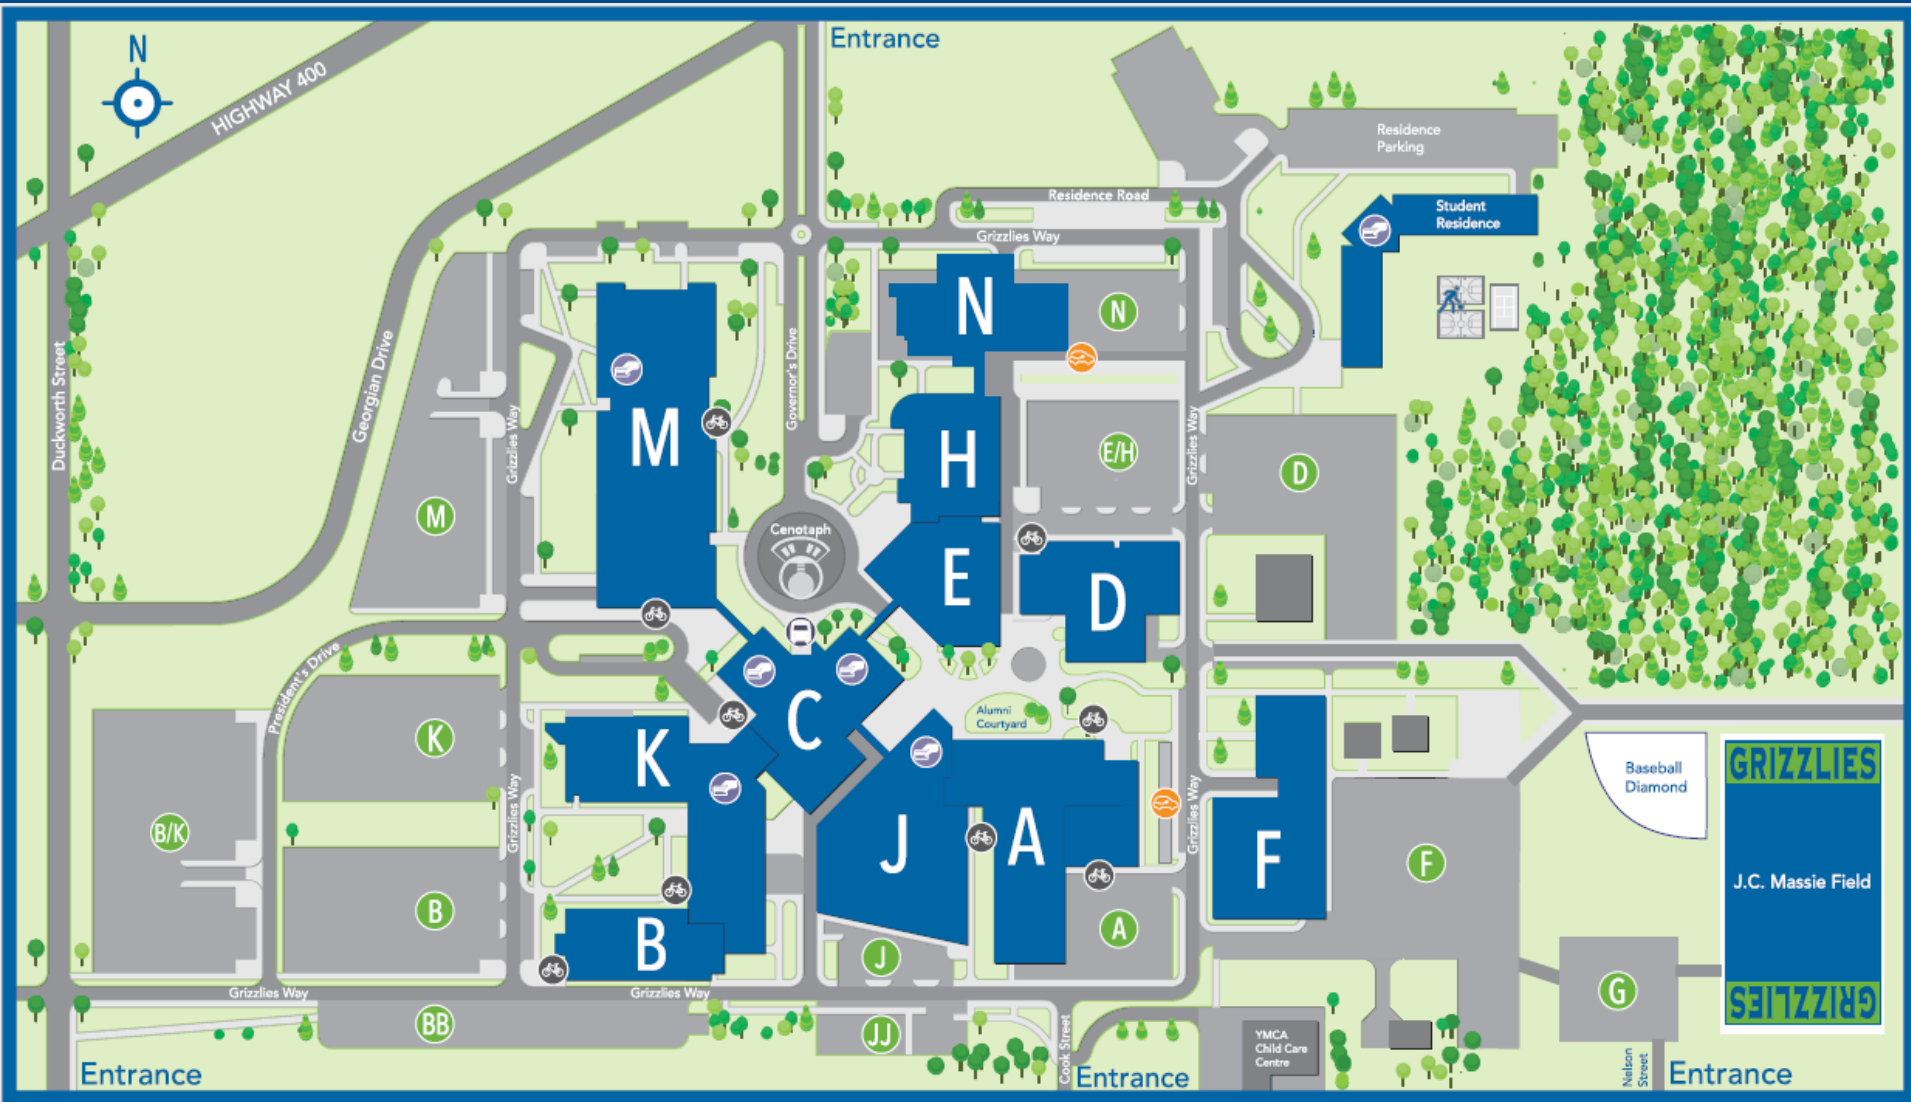

We are here to help you achieve your goals by providing insightful recommendations and professional, sincere service from your initial inquiry through to the end of your Barrie event.

Your event supports our students!

- **Classroom and lecture hall rental fees** contribute to the required maintenance and upgrades that the rooms require to stay current and competitive.
- Catering from **The Georgian Dining Room** or **The Last Class** provides our students with not only jobs in the present, but jobs in the future, giving them the experience they need to excel in the culinary and hospitality industries.
- Rentals of our **Athletics Centre** and **The Last Class** go directly to the Georgian College Students' Association, and therefore towards student clubs and services, study space and GCSA offices, scholarships, and Ashoka Changemaker social initiatives.
