TGCA Membership

Membership in your Community

Community associations have the unique ability to mobilize, support, and interact with their residents to improve neighbourhood life in Calgary.

Everyday, they make significant contributions to the health and well-being of your community.

Registered in 1956, the Thorncliffe Greenview Community Association celebrated its 60th Anniversary in September 2016.

Over the years, the membership has worked hard to build one of the largest community centres of its kind in Calgary. Today, the centre is primarily used by the membership for recreational, cultural and social activities, such as weddings, seminars, religious celebrations, children's programs and so much more.

The TGCA is pleased to keep you informed on issues and topics that affect you and your neighbours, through your monthly community newsletter, our website, social media, and weekly membership emails. The board of the TGCA is active throughout the community in civic and infrastructure matters that affect residents directly.

The membership is pleased to extend an invitation to the general public to use their facilities, when available.

Members of the TGCA can look forward to these benefits for themselves and their families:

- Members public skating
- Discounted bowling
- Discounted racquetball

Leagues

Register for Men's and Women's Fall Racquetball at the TGCA.

Racquetball is a great way to get your heart rate up, stay fit, and get out and meet new people!

The leagues are on Monday & Wednesday of each week from 5:00 pm until 9:00 pm (depending on how many players sign up (sometimes there is a 4:30 start time). Some players only play Mondays, some only play Wednesdays, but a lot play both nights. The cost of each league is \$110 plus \$10 for snacks & prizes on each windup night (for a total of \$120).

There are three divisions on Mondays (A1 – Advanced, A2 – intermediate & B1 – beginner to intermediate). Wednesday has the same three plus and additional one for elite players called A1 Plus. There are two leagues per year, one in January and one in Sept. Each league runs for 14 weeks, the last of which is a fun night which we call windup.

There is a semi playoff between the top four players in a division, then players five to eight and so on. Unfortunately, people cannot drop in as all schedules are set. If anyone gets hurt or drops out, there will be replacement players sought.

The leagues are open to both male & female players. All players typically have their own equipment, but you can also rent goggles and racquets at The 56. Inquire with the bartender.

For more information, contact league leader, Jerry Kwasnitza, kwasnitj@telus.net
