

An Unforgettable Event

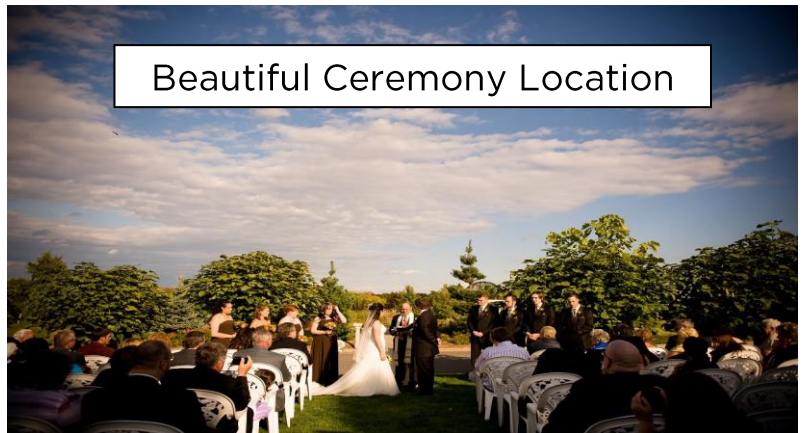

Picture your guests gathering together, surrounded by a wall of lush green trees with magnificent gardens as the backdrop. Or you could exchange vows in our garden beneath the marble gazebo, intimately encircled by all your family and friends.

Picturesque Setting

Whether you envision your storybook wedding as an intimate cocktail reception, casual buffet or elegant four course dinner, Rockway Vineyards is the ideal setting for your event. Our event spaces boast breathtaking views of both our golf course and the very picturesque Niagara Escarpment. With so many options we are a wedding photographer's dream venue. We are a wish come true for couples who hope for a day that is out of the ordinary and sure to leave their wedding guests raving!

Beautiful Ceremony Location

When asked to close your eyes and picture Winter romance, often what comes to mind are images of sleigh bells, falling snow and a cozy fire with a special someone- reminding us that Winter is one of the most romantic times of the year! Here at Rockway Vineyards, we understand that not every couple envisions the summer months as the ideal season for their wedding.

The terrace room offers panoramic views of the escarpment and our pristine property, which is an absolutely beautiful scene whether it's the lush green of summer or covered in a sparkling, crisp white blanket of snow!
