

A group of people, including a man, a woman, and a child, are seated at a table in a bright, modern restaurant. They are smiling and looking at each other. The table is set with plates of food, glasses, and bottles. A server is standing behind the table, pouring coffee. The background shows large windows overlooking a city street. The text 'THE WOODEN SPOON' is overlaid in large, white, bold letters, with 'BRUNCH & BISTRO CO.' in smaller letters below it. At the bottom, the text 'Private Booking Package' is overlaid in large, white, serif letters.

ABOUT US

The Wooden Spoon Co is a hip brunch & bistro with character, located in the heart of uptown White Rock.

Join the rabble-rousers and cantankerous few that post up at The Wooden Spoon Co. Patrons find nothing “classic” here except the ingredients. The Wooden Spoon Co food philosophy is focused on fresh, house-made dishes crafted from locally sourced ingredients. From the biscuits and jams, to the butchery and sauces, all products are made in-house with quality and consistency.
