The Great Hall

ANDREWS VISITOR & EDUCATION CENTER

Located at the end of the entrance drive and paved parking lot, the Andrews Visitor and Education Center is a modern and bright facility. Enjoy its charming Acadian-style architecture. Glazed containers and white rocking chairs on the front porch greet you. Enter under a chandelier into a tray-ceiling lobby with handicap-accessible restrooms. The Great Hall seats 200 for social events, such as wedding receptions, conferences and corporate parties. Amenities include a full caterer's kitchen, spacious brick terrace, wireless internet and stately views over the parterres of the formal garden.

THE GREAT HALL

The Great Hall is a perfect setting for wedding receptions, conferences and corporate parties. French doors provide natural light from the covered Back Terrace. A room divider can split the Great Hall into two smaller rooms to suit your budget for a corporate function.

- The Great Hall measures 74' by 30' and is ideal for social events such as weddings and parties and includes the use of the Back Terrace and caterer's kitchen. Depending on the table size and placement, the Great Hall will comfortably accommodate up to 200 people.
- With the room divider closed, the Great Hall becomes two separate rental spaces, each usable for corporate functions. Choose the space that best meets your corporate budget and event needs. The smaller meeting room (Room 1) measures 28' x 30' (capacity 90) while the larger meeting room (Room 2) measures 46' x 30' (capacity 120).
- Rental of any of these rooms includes the use of the catering kitchen, Back Terrace and your choice of chairs and tables (round or banquet rectangular).
