Pricing and Menu Consultation with Private Events Coordinator.

Bar Service

Wine Service | Wine pricing is based on consumption per bottle opened. We have many wine selection options that can meet any budget. One white wine, red wine and bubble selection generally accomodates most events. Larger selections available. Bottles are priced at a discounted rate starting at \$30 / bottle.

Beer Service | Beer pricing is based on consumption per beer opened. We have a wide variety of domestic, import, and craft beer options. Domestic beers are \$3.5 per beer, Import beers are \$4 per beer and most craft beer options are \$5 per beer. 5 different beer options during an event accomodates most guests.

Cocktail Service | Cocktail pricing is based on consumption per cocktail. Our house spirits plus traditional mixers accomodates most events. Signature Event batched cocktail can be arranged for a special touch for your event. All cocktails are \$9 per cocktail.

Bar Service | All bar services are customizable to meet your needs. Bar services are paid for by the host / hostess. A bar setup fee is \$50. No cash bar available in The Event Space and on The Porch.
