WOOD ACRES FARM

Country Weddings

Thank you for your interest in celebrating your special day with us at Wood Acres Farm! We know your wedding day is very important to the two of you and that the journey of planning an amazing wedding begins with the venue you choose. We hope you will allow us the opportunity to show you just how unique your wedding can be here at the Farm!

Below you will find some helpful information as well as a detailed list of our *Packages & Pricing*. Also, attached to this email is a booking calendar showing dates still available at this time (*highlighted dates are reserved*). You can visit our website at woodacresfarm.com or check out our **Wood Acres Farm Facebook Page** for more great pictures and reviews!

About Us

Wood Acres Farm has been family owned and operated for over 175 years. The farm is nestled at the end of a quiet country road, where our sister ponds await you and your guests. Our 25 acres of endless wooded trails, sprawling lawns and manicured gardens offer a limitless backdrop for photo opportunities. Bricked walkways lead guests from the parking area, past the courtyard to the Banquet Barn, and into the ceremony garden.

Note: We provide plenty of parking for all our guests and we are handicap friendly.

Your Day ~ Your Way

We are not the average *cookie cutter* kind of facility, nor are we a wedding factory! We host only **ONE wedding a day** allowing you the flexibility to customize your day's events. We encourage you to make your wedding as one of a kind (or should we say two!) as the both of you are!

The Banquet Barn

Below are some of the many special features to be found in our rustic Banquet Barn.

- Wide-plank timber floors paired with a stylishly decorated interior creating the perfect combination of elegance and warm country charm to showcase your event.

- A *Lofted Lounge* for you and your guests to enjoy a bird's eye view of things, and a great spot for your photographer to capture a crowd candid during the festivities.
- The *Perch*, a private plateau perfect for the lovebirds' Sweetheart Table for two.
- Plentiful windows and two sets of French doors inviting in natural light and offering a spectacular view of the quaint gardens and countryside.
- An extra wide, wrap-around porch for mingling guests at Social Hour and for everyone to relax on throughout your Reception.
- Climate controlled atmosphere for optimal comfort in any season.
- A lovely 'Plan B' ceremony setting indoors ~ when we can't rely on mother nature to manage an outdoor ceremony.
- **Maximum Seating Capacity for guests is 140. We have no minimum.**

The Professionals

During your first visit to the farm, a *Tour Packet* will be given to you containing a list of our *Preferred Professionals* (Caterers, Bartenders, Photographers, DJs, Florists, etc.). These professionals are very familiar with our venue, offer excellent service and are tremendously helpful during the rush of the big day. This list can also be found on our website.

- You are not obligated to choose professionals from our list. There is a one time, \$350 'Freedom to Choose' fee for using any **Outside Caterer**.
- All food and alcohol must be provided and served by a reputable, licensed and insured Catering/Bartending company. Documentation must be provided.

The Event Coordinator

When you book your wedding with Wood Acres, you will be assigned one of our friendly and knowledgeable *Event Coordinators* to assist you and your Attendants during your on-site Rehearsal, as well you, your Attendants, and your Professionals on your big day.

The Bridal Cottage

A spacious and comfortably calm hideaway conveniently attached to the Banquet Barn. Perfect for getting ready with the girls pre-ceremony, and for taking those moments to catch a breath between activities during the main event. It features a large dressing suite, private powder room, floor-to-ceiling mirrors and a secluded courtyard complete with your own flowing gardens, trickling fountain and wisteria covered archway.

The Horse & Carriage

Whether you choose to have your ceremony at the farm or away, there is no better way to make a *grand entrance* than with a horse drawn carriage. During your Tour, we will explain how special this part of your day can be for you and your guests!
