## WHAT'S INCLUDED?

The Gardens at HCP offers a variety of refreshing, accessible spaces for you to celebrate your love and commitment. Your guests will arrive through an aisle of roses and pass beneath a fragrant eucalyptus tree to find their seats. As you say your vows, you may find yourselves accompanied by birdsong as the waters of our habitat conservation park sparkle in the background. Enjoy a stroll through our nine acres of gardens (with your photographer, of course!) before joining your loved ones to eat, drink and be married under the red cedar beams and distinctly Vancouver Island architecture of our Couvelier Pavilion.

The 2020 rental rate for an outdoor ceremony and indoor reception is \$3000, increasing to \$3500 for 2021. This rate includes taxes, tables and chairs, white tablecloths, indoor A/V equipment and admission to the Gardens for all guests (weather and daylight permitting). The Couvelier Pavilion can comfortably accommodate up to 96 guests (plus the head table) and we welcome your choice of catering and other vendors.

## OFFSEASON DISCOUNTS

Weddings held October - April receive \$500 off their booking! This discount may also be applied to discounted daytime-only or evening-only bookings.

## ELOPEMENTS

We love tiny weddings! Our elopement rate is \$500 (offseason \$300) and includes taxes, signing table with white tablecloth, chairs or benches (if needed) and admission to the gardens for up to 10 guests.

## OTHER DISCOUNTS

Discounted rental rates are available for ceremony-only bookings, reception-only bookings, or daytime receptions. Please speak with our Event Manager for more information.

## PHOTOGRAPHY SESSIONS

If you already have a ceremony and reception venue, take advantage of our tranquil, picturesque grounds for your photography! \$300 includes tax, admission to the Gardens for your wedding party, and ensures you will be the only wedding party onsite for a period of two hours.
