Logistics.

Q: Can we tour the Manor before making a commitment?

A: Absolutely! We would love to set up a tour for you. Just let us know when you would like to come visit, and we will schedule the tour around the available calendar dates at the Manor.

Q: Is there parking at the Manor that can accommodate large numbers?

A: There is enough parking at the Manor for about 20-25 vehicles. For large parties, it is possible to park along Peters Rd. or in the culdesac at the end of Peters Rd. and walk up from there. We also have a great relationship with Door of Hope Church and can arrange to park in their parking lot if we give them notice. Guests can be shuttled up to the Manor from there.
