

A Premier Event Space

The venue is designed to provide various options for your event.

- Daytime usages focus on meetings, training sessions, team building and take place in our lobby/showroom area.
- Late afternoon events focus on the social setting whether for bringing in clients and partners or simply an off-site company social. The space can either be lobby/showroom or lobby/showroom plus open floor space.
- Evening events focus providing extended evening hours with a focus on celebration. Customizable layout and visual effects help change the open space to whatever theme you wish.
