WELCOME TO TEDESCO COUNTRY CLUB

Organized in 1900 and incorporated in 1903, Tedesco Country Club is a traditional private golf club with a rich heritage.

We celebrated the opening of our beautiful new clubhouse in July 2011 and it will provide the ideal site for your event.

Our team of professionals is simply the best and we are eager to turn your vision into reality.

The menus that follow are designed to help you create your vision, not restrict it.

We are happy to customize the menu to meet your needs and desires.
