

“THE WELLHOUSE”

Jim Beam now has a new and unique space for hosting your next private event.

Sitting adjacent to our historic Jim Beam American Stillhouse and distillery, the 2,640 sq ft. venue can be easily transformed into the ideal location for any event – a perfect site for a business reception or party, corporate retreat or family reunion.

This distinctive space features an expansive bar, custom-built tables and chairs, and is surrounded by a glass wall that overlooks our historic distillery and the rolling foothills of Kentucky. The space, affectionately called “The Wellhouse”, is named after the pure beginning of our natural limestone water well here at the distillery – a key ingredient in making the World’s No. 1 Bourbon.
