Answers to your Frequently Asked Questions

- ❖ *Will my wedding be the only event that day?* Saratoga Springs is a multi-event venue! **We will likely have another wedding and/or party taking place during your time slot.** We have parking attendants directing your guests where to park (we have plenty of parking!) and staff directing your guests to walk toward/enter the correct venue.
- ❖ *Can I bring my own DJ or band?* Because we hold multiple events at once and because the Saratoga, CA sound ordinance is quite strict – **you are required to book one of 5 approved awesome DJs for your event if you want amplified music.** This way, we can assist with governing the sound and you get to work with a DJ that works with us all the time! All of the DJs on our list are the same price of \$1495 and include planning, MC, microphone, top-notch equipment, and ceremony/reception music.
- ❖ *What should I do if I can't decide which venue to choose?* **You have the option to take pictures in them all!** There is an allotted time slot we will provide where the Redwood Grove or Longbridge couple can take photos in Cathedral, and the Cathedral couple can take photos in Redwood Grove or Longbridge! 😊
- ❖ *How does setup & takedown work?* **We allow 90 minutes prior to ceremony for setup, and 30 minutes after your event for breakdown.** All items that you rent via Saratoga Springs include our labor for setup/cleanup. Items that we do not provide (i.e. flowers, dessert) do not include our labor, but you are welcome to hire our staff to assist, at a cost of \$40 per staff member 😊
- ❖ *Can I have items delivered before my wedding day or pick them up after my wedding day?* Anything left behind is discarded as we have to prep the areas for events the next morning. **Items may not be stored here prior to the wedding.**
- ❖ *How do you handle rehearsals?* Rehearsals are included at no extra charge on a space available basis and usually run ~30 minutes. We typically hold our rehearsals mid-week on the Tuesday, Wednesday, or Thursday evening before your wedding. We will help facilitate the rehearsal, and walk everyone through their paces/choreography and there is no charge for that! **We are not able to lock down your rehearsal day/time until one month prior to your wedding.** We offer day time events (10-3) and then night time

events (5:00-10:00) every day of the week ...so we need to see how the calendar fills up, and then offer our wedding couples the slots that are available around and in between

- ❖ *How's the cell phone service?* Verizon is the only carrier that gets full bars service out here in the redwoods! **We do offer free wifi (with no password) that your guests can connect to & call ubers/lyfts.** And yes! Please do not drink and drive – you may leave your car here overnight, and pick it up by 9am the following morning.
- ❖ *What are the table measurements?* In Longbridge and Cathedral Grove, our tables are 12 feet long and 29" wide. They each comfortably seat 8-12 guests. In Redwood Grove, our tables are 16 feet long and 29" wide and they comfortably seat 12-16 guests.
- ❖ *Do you have any guidelines for a shuttle service or limousine service?* If you and/or your wedding party are arriving together in a ride service, we recommend a town car or 12-passenger van over stretch limos or larger busses as these smaller vehicles will be able to get you right to the front gate rather than dropping you off in the upper parking lot.
- ❖ *Are outside caterers allowed?* Yes, your outside caterer is welcome but we do ask and require that outside caterers take care of their own food preparation, service, setup and cleanup and that at a minimum you purchase at least a beverages package from Saratoga Springs (\$40/pp). Nearly all licensed and insured caterers are approved. We have a few on the preferred vendors list that we love but are flexible too!
- ❖ *Can we extend past 10 pm?* If you'd like to go through 11 pm, you could add overtime for \$1,000/hr but unfortunately we can't have amplified music after 10 pm. So but it'd be a very mellow party without music, might be better to have your after-party offsite. Some weddings truly enjoy staying after 10 pm strumming [an acoustic guitar around the bonfire and roasting marshmallows](#) as you wind down your wedding night. Up to you!
- ❖ *Is hard liquor an option?* Full-proof hard liquor isn't allowed nor is bringing in a licensed vendor to provide hard alcohol. However, there are close alternatives to hard alcohol that you can use for mixed drinks -- soju vodka, agave tequila, fermented whisky, gin and gran isla rum -- that are legal with our beer/wine license because they are low-volume alcohol (24% alcohol, or 48 proof – the legal limit for a beverage served under a beer-and-wine license in California). You can BYO low-proof liquor/growlers of beer/wine/champagne for \$10 per bottle corkage fee. Our premium beer/wine list is a great resource to expand on our house offerings. The sangria and margaritas (made with agave wine tequila) options are both wonderful! You might consider champagne kir royals, bellinis or sangria (both red and white sangrias) which are nice crossover drinks for those who like a cocktail. No hard liquor (above the proofs listed here) is allowed.
