WEDDING PACKAGES 2021

Celebrate your love

Start your journey together at one of Canada's finest wedding venues. Stonefields Estate embodies the rich history and lush landscapes of the Ottawa Valley. For 200 years, families have lived and loved at this historic settlers' farm. We've kept with this tradition, creating an intimate space that combines rural beauty with chic French country elegance.

Your Stonefields experience begins with a warm welcome from our owners, Stephanie and Steve Malenfant. You'll get a personalized tour of our stunning 120-acre site before sitting down to discuss your vision. Let our beautiful estate fuel your imagination. We'll take care of the rest.

On your wedding day, the entire estate belongs to you. Get ready in our heritage farmhouse and pub. Say your vows in our elegant ceremony house or hold an outdoor wedding under a towering canopy of trees. Dine in our turn-of-the-century barn, enjoy cocktails on the verandah, then unwind overnight at the Stonefields farmhouse.

Our team will coordinate every detail, from the moment you arrive until your last guest leaves. All you need to do is soak up the atmosphere and create some memories.

Sip and socialize

After the ceremony, your guests will gather on our outdoor patio and covered verandah to toast your new life together. Friends and family will socialize over cocktails from our outdoor bar, enjoy hors d'oeuvres from the Stonefields kitchen, and unwind on our cushioned settees. As the night draws in, they will mingle under the warm glow of Edison lights.

Meanwhile, you and your newlywed will head off for a photoshoot on the estate grounds. Capture moments to treasure against a stunning backdrop of open fields, lush gardens and historic buildings.

“As a wedding photographer, I’m always so excited to work at Stonefields. From the natural-lit farmhouse to the rustic-chic barn, I can’t say enough good things about this beautiful venue.”

Dine and dance

Rejoin your guests after your grand entrance into the Stonefields Loft – the focal point for your wedding day celebrations. Lovingly restored in 2016, this turn-of-the-century barn combines whitewashed elegance with a taste of Provence.

Enjoy fine dining and exceptional service under the Loft's towering beams and glittering chandeliers. The space is accented by a 35-foot vaulted ceiling and plenty of windows, providing a beautiful backdrop for you to bring your vision to life.

Over at our French country inspired bar, Stonefields' experienced bar staff offer a range of signature cocktails and special twists on old classics.

The Loft can accommodate up to 220 people. It features radiant floor heating and air-conditioning. It's the perfect place to dine and dance the night away.
