# APPLAUSE

*“My wife and I had our rehearsal dinner here. We had 30 people and the service was amazing. We ordered pierogies, chicken quesadilla, guacamole, chicken wings, and calamari. It was all amazing. They just kept bringing them out! Then, they brought us some of the best thin crust pizza I have ever had. Working with the event coordinator, Liz, was an absolute pleasure. She made sure everything was set up just the way we wanted. We would recommend this place to anyone looking to host an event!”*

Adam N. via Yelp

*“Let me just say WOW! All of my guests could not believe the amount of food but also the quality! They loved everything from beginning to end! They said it was one of the best events they have gone to in a very long time! The food was fresh, tasteful and presentable. Your staff is one of a kind. They helped my husband and my sister from the moment we arrived to bring things upstairs to set up and decorate. I didn't even need to ask for help, the manager that day volunteered his staff and it meant a lot! They really care about their customers. I would definitely recommend Chimney Rock Inn, but my event spoke for itself and now you will have returning customers!”*

Carmen R. via TripAdvisor

*“This past weekend another friend and myself hosted a baby sprinkle for our best friend. Neither of us had been here before, but our friend's husband suggested it - and we are glad he did! From initial contact with Dawn, who made the reservation process so simple, to Devyn our server and the entire restaurant team, everyone was a pleasure to work with! I personally tend to be more critical when dining out, having my background in meeting and event planning; specifically food and beverage, they left no stone unturned. The food speaks for itself, our group really enjoyed the event and will be returning more regularly. Thank you all for a job well done!”*
