*Thank you for considering the Riverwatch Banquet Hall at KingFish for your very special occasion. It's an extremely exciting time and we would love to help in any way possible.*

*We are proud to say that we have hosted wedding receptions, rehearsal dinners and even wedding ceremonies for over 35 years. The core of our current staff has been there for better than half of that span. As you probably already know, wedding planning can be stressful and hopefully our experience can take some of that load off of your shoulders.*

*Speaking of the stress of planning a wedding, the price tag that comes with everything can contribute greatly. KingFish offers the absolute best value around for a wedding and wedding reception. Top notch food, an experienced friendly staff and a river view to boot. All of that offered for considerably less than most other venues.*

*The attached information packet includes our most popular wedding reception menus. You are also welcome to create your own menu to compliment your own style or taste. If something is not listed that you want, simply ask and we will do our best to accommodate.*

*We would like to wish you luck whether you choose our location or somewhere else. Either way, if you have absolutely any questions, don't hesitate to contact us at 502-339-0565.*

*Sincerely*

*Jackie Mossholder  
Banquet Coordinator*

Jackie + Kingfish family,  
 Thank you for helping us make our  
 wedding reception. The service was great  
 (Mary Ellen was very helpful), the food was good,  
 + the place looked awesome - especially with  
 the lights at night. You all were very flexible  
 + helpful to make our ideas a reality. I am  
 still getting told that people were impressed with  
 the venue + it was the most fun wedding they  
 have been to!

Thanks again, Stephanie + M, 4/20/12

RIVERWATCH

Dear Jackie -  
 Well I wish you  
 could hear all of the  
 wonderful comments  
 regarding the food +  
 how beautiful the room  
 looked for the  
 rehearsal + the  
 people dinner on June 8.  
 because they quite surprised  
 "fish" will be served.  
 The evening was so nice  
 outside + the pictures and  
 Hal + the waitresses were  
 more than helpful.  
 I will highly recommend  
 Kingfish to anyone for  
 a special event because  
 that is exactly what it  
 was - special. Many thanks
