## REVIEWS:

"Our wedding at the lodge was absolutely amazing! The lodge and its location truly creates an Alaskan experience, which we wanted to share with our guests. We were expecting around 80 guests and as it turned out ended up with about 120. The venue still felt spacious and open, as many of our guests were from out of town we were able to provide lodging for about 50 people. Bret also was able to provide space for motor homes and campers as well. Spending the weekend with all of our family and friends at the lodge truly made our wedding the most memorable experience my wife and I have shared. Bret the owner and his staff were so accommodating and helpful in creating this experience for us, words really can not express our gratitude." -Damian

"Bret and his wife were so accommodating and wonderful to communicate with. The Legends Lodge is beyond what we expected. It was super clean and all the beds were comfortable. We sat out in the sun drinking coffee and listening to the river in the morning, and nestled by the monstrous fireplace at night. It doesn't get any better than this." -Amanda

*"Bret went above and beyond to make sure every detail of our stay was perfect for our wedding day. The lodge is an incredibly beautiful space both indoors and outside! Each room was clean and cozy which made for a very comfortable stay for our friends and family. The commercial kitchen was outstandingly impressive with every last utensil desired for a self catered party from a huge refrigerator to heating trays for bigger parties! The combination of generous hosts and this authentic Alaskan destination make for a special stay on the Kenai River!" -Rachel*
