We are humbled that you would consider the Hidden Barn as an option for the most important day of your life. We are a family run business that seeks to give our clients everything we would want if looking to book a wedding venue for our own daughter or son. Our Wedding packages offer two options: The Do It Yourself "DIY" package which gives you the opportunity to plan all your details and contract with your own insured vendors. The "ALL-INCLUSIVE" package will include 95% of everything you would need for your special day.

With either package you will have full access to the property including the areas listed below for your Wedding Day. The Hidden Barn Property is 20 acre's, with many rustic and unique areas that any picture can capture the true beauty of the property. It is a must-see venue and you will NOT find another that is similar out there.

The fully air conditioned Reception Area accommodates up to 175 Guests. It has ample kitchen preparation area for food services, a designated bar area with ice machine, frozen drink machine and beer tap, as well as a designated DJ booth with surround sound speaker system. The barn also includes a beautifully hung crystal chandelier with white flowing draping, a projection screen for videos and slideshows, a rustic sweetheart table, whiskey barrel gift and cake tables and multiple centerpiece options.

WEDDING CHAPEL

The outdoor wedding chapel is semi-covered area with fans for guests comfort. It includes ample stage space for bridal party, 18 re-arrangeable rustic farm benches and multi-colored LED lights on the walls and ceiling.

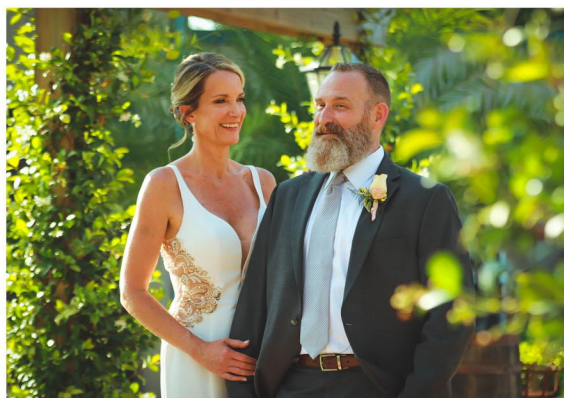

SALOON

When you pass through the swinging saloon doors it will feel like you traveled back in time to the old wild west as you will be greeted by a long wooden bar top and possibly one of our dancing girls. Upstairs there is a high stakes poker game happening and a traveling jazz musician playing some sweets sounds on the vintage piano. Our saloon is perfect for your bachelor/bachelorette parties and your wedding day cocktail party as it sits directly next to our underground pool.

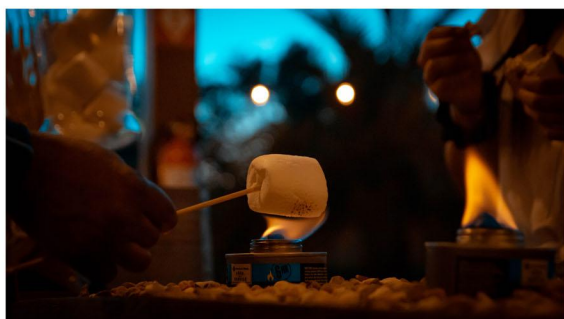

BRIDAL SUITE

Make yourself at home in our beautiful countryside bridal suite with private areas for the bride and groom and a common area that includes a full kitchen, pool table, 60" flat screen TV, and vintage jukebox. Included in the brides private suite she will have full size vanity mirrors and a private exit into the bridal garden. The grooms suite is suitable for a gentleman as you will find your very own barber chair and wood-burning fireplace.

COURTYARDS & GARDEN

The Hidden Barn Venue, a five acre estate, offers you and your guests an unique journey through this rustic romantic town. You'll walk past the old Texaco station and the country store on your way through the beautiful courtyards as the market lighting shines above. Along the way if you need to rest there are numerous swings throughout the property for you and your family to enjoy. Tucked away behind the bridal suite is the bride and grooms own private garden.

NEWEST AREAS

Our newest addition is a white steeple church with a waterfall and river. Your Bridal Party will Cross over a bridge to the place you say "I Do". White benches on both sides and beautiful Inadcaping all around. And, if it were to rain we have you covered with the semi covered chapel as a back up.
