#### OTHER THINGS TO KNOW

- ◆ The save the date payment to secure your wedding date is thirty percent (30%) of your venue fee. To secure your wedding date, please complete and sign your contract and submit it with your deposit. The balance of the fee is due 180 days prior to the event. The refundable damage/security deposit of \$1,000 is due 60 days prior. You may opt to pay any of these by credit card.
