"I've been planning company events for PetFirst for the past 8 years. Working with the staff at Holiday World to plan this year's company picnic was the best experience I've ever had in planning a group outing. The process that Holiday World uses to organize a company event at their park is seamless. They made my job so easy. The best part, of course, was all the wonderful feedback that I received from our team members."

"We all had a fabulous time at the park, and we can't wait to return."

**PetFirst
Jeffersonville, IN**

"Our group loves Holiday World! There are not too many places that can handle 700+ people and have it run as smoothly and efficiently as they do. Our group always enjoys the picnic where the food is delicious and the lines are never long and are well managed."

"We look forward to our outing each year."
