

# Questions?

## We've got answers...

### **May we choose more than one entrée?**

*Our buffet selections have an option of two or three entrees. For our served meals, you may choose up to two entrees. In addition, we are more than happy to offer a vegetarian meal upon request. We also offer a 50% discount for children 12 and under on buffet style meals.*

### **May we have a customized meal for our event?**

*Yes, we are more than happy to create a unique menu to fit a particular theme or budget for you.*

### **When do you need my final guarantee number?**

*The guarantee number is required 72 hours (3 business days) prior to the event without changes.*

### **Do you prepare more food than the guarantee number I give you?**

*The hotel will prepare for 5% above the guarantee number. If the number of guests served exceeds this 5% allowance, you will be charged an additional 25% scramble fee over the original price per person for each additional guest. The hotel reserves the right to substitute other available food if necessary in the event the number of guests exceeds 105% of the guarantee number.*

### **Are we allowed to take any leftover food and beverage items?**

*Remaining food and beverage items may not be taken from the banquet areas.*

### **May we bring in our own food and beverage?**

*All food and beverage will be prepared and served by the Spearfish Holiday Inn Convention Center. The State of South Dakota has granted a liquor license to the Spearfish Holiday Inn Convention Center and we are held responsible for complying with these regulations. Outside alcohol is not allowed in the banquet rooms or other public areas. It is okay to have outside alcohol in your private sleeping room.*

### **How much is the service charge?**

*The taxable service charge is 19%.*

### **How much is the sales tax?**

*The state sales tax is 7.5% on all food and beverage, 6.5% on all meeting room rentals, and 6.5% on all AV equipment rentals.*

### **How do we pay for our event?**

*If a direct bill account is not setup, a credit card is required at the time of signing to secure the meeting room space. An invoice will be ready for your review immediately following the completion of the event. Payment is due at this time as well. If payment is not received after the event, the credit card on file will be charged for the total amount due. If a direct bill account is setup, the invoice will be sent out on the first day of the following month. Direct bill applications and tax exempt status must be submitted to your sales contact prior to the event. Balances not paid after 30 days are subject to a finance charge.*

### **Can we hang up signs and decorations?**

*The Spearfish Holiday Inn Convention Center will have signs posted on designated areas informing guests what room the event is in. You are more than welcome to put up your own signs, but we ask that all signage is professionally made and approved in advance with your sales contact. Any decorations that you would like to hang must be approved through your sales contact and our staff will hang them for you.*

### **How long can we be in the banquet room?**

*If there is a bar associated with the event, last call will be at 11:30 pm. For the comfort of all the guests in the hotel, all entertainment must be completed by Midnight and the room must be vacated by 12:30 am.*

### **Am I responsible for any damages?**

*Any damages to the hotel property by you, your guests or other persons associated with the function will be added to the master bill. Staples, nails, tapes and tacks cannot be used on our walls to hang items.*

# BAR SERVICE

## Party Bar Guidelines

### How many bars may I have for my event?

We recommend at least 50 guests for a party bar, and one party bar for every 150 guests at the event. For groups under 50 guests, we recommend a cocktail server for only \$10 per hour per server. The Spearfish Holiday Inn Convention Center will determine appropriate staffing.

### What kind of bar can I have? Can I get drink tickets?

Party bars may be Cash or Hosted. Drink tickets are available, please ask your sales contact for details. Drink tickets are subject to a 19% taxable service charge and 7.5% sales tax.

### What is the bar policy?

A \$50 bartender fee per hour per bar is applicable to Cash and Hosted Bars with sales less than \$300. A bartender is required for all Cash and Hosted Bars. Applicable State Laws will apply. NO OUTSIDE ALCOHOL may be brought into the Spearfish Convention Center or any meeting rooms. After one verbal warning, the bar will be shut down. Authorities will be notified if necessary.

### Can I have a Beer & Wine Station?

In lieu of a full party bar, we also offer a Beer & Wine only station. A \$40 service fee is applicable to Beer & Wine Stations with sales less than \$200.

### Can I have a keg?

Kegs are not permitted at any time.

### Can I have a special request at the bar?

Any special request for a product that is not normally available at the party bar must be made at least three weeks in advance. We will do our best to accommodate each request. If the special request product is not fully consumed, the remainder of the unconsumed special product will be added to the master account.
