WELCOME! It is the mission of the Bates College Catering Department to provide our customers with the finest service and the most innovative culinary creations. To achieve this goal we use local and/or organic fruits and vegetables when available, support the Maine economy by purchasing local seafood, and constantly pursue educational opportunities to keep abreast of the latest trends.

This guide was developed to aid you in planning your events. It is our goal to provide our customers with the necessary tools to make informed decisions about their catering needs. On the following pages you will find valuable information ranging from ordering procedures to specific menu options and decorating ideas. This guide merely gives a general overview of the services and food options that are available to our customers. If you have a specific need or dietary concern that is not covered in this guide, please contact the Catering Office for special arrangements.

The Catering Office is available on either a walk-in or scheduled basis to help with overall planning and to answer any questions that you might have concerning your event. We hope to fulfill all of your catering needs. All questions are cheerfully answered, no request is too small and no problem is too big.

At your service,

Bates College Catering

Catering Guidelines

In order for us to make your event memorable for both you and your guests, we ask that you follow these guidelines. If you need assistance at any time, please contact:

Donald Desrosiers Catering Manager (207) 786-6298 ddesrosi@bates.edu

We are here to serve you!

Planning

Although we will do everything possible to accommodate last minute requests, our most successful events have been planned with a minimum of 5 business day notice. This time frame allows us to supply you with the quality products and staffing needed for excellent service and delivery. As they often involve last minute shipping fees and/or higher labor cost, requests received with less than a 5 business day (Monday-Friday) notice are subject to a \$150.00 late fee and product availability.

In the case of wedding receptions initial contact must be made with Dining, Conferences and Campus Events Office via Brenda Pelletier, either by e-mail at <u>bpelleti@bates.edu</u> or phone at (207) 786-6400. No wedding reception will be considered with less than an 8 week notice. There are special guidelines for scheduling/planning a wedding reception which will be discussed at time of booking.

After the Event

In compliance with health regulations, with the exception of pick-up orders, leftover food remains the property of Bates College Dining Service and cannot be provided to guests following a catered event. No credit will be issued for leftover food or unused items, however if food is removed from an event you will be charged a \$50 fee. Because the food from pick-ups has left the building and we cannot verify how it was handled, leftover product cannot be returned afterward. Customers are also responsible for disposing of their own trash from events that are picked up. It cannot be returned to Commons for disposal.

Guarantees and Billing

Confirmation of the estimated number of guests is required two working days prior to an event. A final guaranteed count is required at least 48 hours before the event.

Billing for services provided will be based on the guaranteed number of guests. Should the number of attendees exceed the guaranteed number, billing will be for the actual number of attendees. When the number of actual attendees is fewer then the confirmed number, billing will be for the confirmed number. If no confirmation is received, the bill will reflect the number of guests planned for at the time the order was placed. To reduce wasted food and unnecessary labor costs, if the actual number of guests at an event falls 15% short of the guaranteed count, there will be a \$75 surcharge assessed. For events with counts of 20 people or less, but require catering staff, there will be an additional \$12 per hour fee for your event with a minimum \$30 charge.

All buffet and served prices include labor and in most instances linen, but never floral arrangements or special decorative requests. These are an additional charge.

Should an event exceed the indicated end time an additional charge for labor will be added at the rate of \$30 per server/cook per $\frac{1}{2}$ hour.

Bates College Catering *(207)786-6298* <u>ddesrosi@bates.edu</u> 3

Payment

Internal college events **must provide organization, fund and, if applicable, activity number for events to be processed**. For large functions, Event Reservation sheets must be signed by an authorized party, dated and returned to the catering department. This information is required and orders will not be processed without it. For approved external events, payment must be arranged ahead of time through the Conferences and Campus Events Office via Assistant Vice President of Dining, Conferences and Campus Events, Christine Schwartz, via email at cschwart@bates.edu_or phone at (207)-786-8279.

Cancellations

Cancellations received up to two working days prior to the event will not be charged, provided catering has not incurred any extraordinary costs for the event. Events cancelled with a 12 to 23 hour notice will be charged 50% of the cost of the event and events cancelled with less than a 12 hour notice, with the exception of those cancelled because of inclement weather, will be billed the full cost of the event.

Special Orders

Bates Dining is skilled at preparing a wide variety of specialty dishes using our own recipes or those provided by our customers. If your event includes specific/specialty recipes you will need to allow additional time in order to ensure all ingredients are available and the recipe is tested. If specialty items are not available through our vendors and must be secured elsewhere, an additional 10% charge will be added to the price of the items to cover labor and travel costs.

4

Delivery and Pick-up Orders

Orders delivered on campus will include a \$10.00 delivery charge. Orders picked up at Commons will not incur this fee. However, any orders not picked up within a half hour of the scheduled pick up time will be returned to stock and charged a 30% restocking fee. In the event that the order needs to be prepared again, an additional 20% service fee will be assessed.

Equipment

All equipment provided during a catered event is for use during that event only. Items removed from the event will be added to the final bill at replacement cost. Utensils, pots and pans are available for use on a very limited basis; requests must be made in advance through the catering office. A deposit is due upon pick-up and will be refunded when all items have been returned.

A charge will be assessed for the delivery or clean-up of Dining Service equipment. The charge will be assessed depending on the amount requested or clean up required.

When Placing an Order...

Other information we will need to assist you in planning your event:

- Verification that the venue has been booked and set-up noted. This should be arranged through the online Events Management System or through Dining, Conference and Campus Events office 786-6299. It is the customer's responsibility to return furniture and other items to their original position should they need to be rearranged or removed from the location.
- Location, date and time of the event
- Number of people attending the event
- Type of service desired (i.e.: buffet or served, paper or china)

- Floral arrangements, linen color and other specialty décor items desired
- Department name, telephone number and e-mail address of person filing the reservation

Menu

We have prepared the following menus for you to use as a guide in planning your event. Though we offer a unique and wide variety of foods, please keep in mind that all choices may not be suitable for the venue you have secured. Please allow us to assist you in making your choices and arranging for any special requests. By collaborating we can make selections that allow us to work effectively and ensure complete customer satisfaction.

Water Options

All water served at our events comes from the local natural free-flowing Summit Spring in nearby Harrison, Maine. Please visit their web site for further information (<u>http://www.summitspring.com/</u>). As part of the college's sustainability efforts, Bates Dining Service offers pitchers of water at events served within the primary Commons facility. Bulk water options are also available upon request. *Alcoholic Beverage Use Policy:

- Events with alcohol will be assessed \$30 for inside events and \$50 for outside events for city licensing fees and will require at least 14 working days (Monday-Friday) notice in order for state permits to be secured. Requests for alcohol placed less than 10 working days prior to the event are subject to a \$100 surcharge. Requests received with 10 working days notice or less cannot be guaranteed approval. Events taking place in outdoor venues will require a 21 working day notice.
- As the holder of the liquor license Bates Dining must serve alcohol at all licensed campus events. Our license prohibits us from allowing you to bring your own alcoholic beverages on the premises. Private student parties with alcohol must be pre-approved by the Dean of Student's Office.
- When applicable, Bates Dining Service will serve alcoholic beverages at events where there may be individuals under the age of 21 in attendance. All events of this nature must be approved by the Director of Dining Services. Students requesting events with alcohol service must have the event approved by the Dean of Student's Office and the Director of Dining Services before a reservation can be processed. Sale or consumption of alcohol by a minor (under 21 years), or to anyone without proper identification, or the service of alcohol to anyone who appears to be intoxicated, is prohibited.
- Members of your group must consume all alcoholic beverages in the designated areas only and cannot carry their drinks outside of these boundaries.

Student Meal Substitutions

College recognized student organizations may substitute, at no charge, a basic BBQ or spaghetti dinner for a meal. A list of those attending the event must be submitted to the Catering Department at least three days in advance* and all in attendance must be on the board plan. Standard per person charges will apply for attendees who are not on the board plan and will be billed to the organization.

Spaghetti dinners are available throughout the academic year. BBQs are available from August 31st -October 14th and April 29th-May 20th. The organization is responsible for picking up and cooking the items themselves. Bates Dining can be engaged to cook and deliver the spaghetti dinner at a cost of \$1.50 per person and a BBQ at the cost of \$20.00 per cook per hour. BBQ cooks are calculated at one cook for every 50 individuals with a minimum of 4 hours charged to cover prep, set-up, cooking and clean-up time.

*Keep in mind that BBQs need to be booked on-line through EMS in order to secure grills from Facility Services. The list of those attending must be brought to the Campus Life Office in Chase Hall for a signature before Catering will process the event. Catering will need a minimum of a 5 business day (Monday to Friday) notice.

If an organization chooses to schedule a catered event other than a basic BBQ or spaghetti dinner, arrangements can be made, but the per person charge will be as listed in this guide minus the current food replacement cost of the board plan.
