

Welcome to Vancouver's "Most Art-full*" and sustainable hotel!

The Listel Hotel's contemporary and art-focused meeting and catering facilities are well suited both for business and social meetings and gatherings. The facilities are divided amongst four main rooms totaling 3500 square feet of modern, well-equipped space.

All rooms have been recently upgraded, both in a design sense and with technology in mind. Rooms feature natural lighting, rich and luxurious draperies, quality cabinetry and wood finishing, built-in sound systems, and are equipped for both wired and wireless Internet access.

Our service is enthusiastic, efficient and completely customized to you and your group.

But what sets our venue apart from other facilities is our award-winning farm-to-table fare. Not only is Forage "the city's most innovative kitchen*", but we are also passionate people in British Columbia's food sustainability movement and all our menus are both responsibly-sourced and, more importantly, delicious.

Our wine list is 100% BC with wines from around British Columbia including the acclaimed Okanagan Valley.

I look forward to working with you to ensure that your event is a great success.

Sincerely,

Allison Westbridge
