Let's Make Your Day Special

We Are One

A UNIVERSAL BELIEF

Do that which is right

The Universal Life Church has no traditional doctrine. We as an organization believe in that which is right. Each individual has the privilege and responsibility to determine what is right for him – as long as it does not infringe on the rights of others. We do not stand between you and your God. We are active advocates of the First Amendment of the Constitution.

Be Competent, be proficient, be cooperative, love your fellow man. To be humble, to be honest, to be moral, to live positively, to be what we profess. This is a universal belief.

WE ARE ADVOCATES OF THE GOOD LIFE

Be at peace with God, whatever you conceive Him to be.

FAQ pt 1

Q. WHAT SETS YOU APART FROM OTHER OFFICIANTS?

CC: I received my training from the prestigious Universal Life Church Seminary(www.ulc.org). Officiants are trained to focus on the values and priorities of the couple. The client-centered ceremony is a reflection and an extension of the desires and wants of the couple being married. To help me do that, I chat with a couple to gain information from what they share with me, their 'love story', then I intertwine it within the marriage vows. In a your ceremony, your guests can get to know about you, just by listening to your marriage ceremony... how you met, fell in love, and some other fun details about your courtship. No two Celebrant ceremonies are alike!

To a Ordained Officiant, personal beliefs are immaterial to creating a personalized, meaningful ceremony. Our Officiants believe that customized ceremonies are an important way of conveying a couple's happiness and the connection they have with each other, their friends and families and with society.

Q: THIS ALL SOUNDS WONDERFUL, BUT ARE WE GOING TO BE ABLE TO AFFORD IT?

CC: You have waited a significant amount of time to have a ceremony which celebrates the special milestone in your life! Why not do it right? Yes, you will find officiants who offer cheaper ceremonies and noone can beat the price at the City Clerk's Office. The underlying question is 'What is the ceremony's value?' Sometimes saving a few dollars just costs too much. My ceremonies consist of much more than simply a 10 minute ceremony. When comparing officiants, consider all the preparation and attention to detail that goes into creating and delivering a ceremony that's being crafted just for you!! Everyone these days is budget conscious, so I offer several packages to help you decide what best suits your desires, needs and finances. Check out my WEDDINGS page to get more details about all the services I provide.

Q: WHO WOULD YOU SAY YOU WORK WELL WITH AND WHO WOULD BEST BENEFIT FROM WORKING WITH A CELEBRANT?

CC: I work well with people just like you! They are perhaps in an interfaith or multi-cultural relationship, spiritual but not religious or strictly secular. They are people who usually don't want a traditional ceremony. I am extremely flexible and able to put myself in the place of the client from the perspective of creating the vision they want for their ceremony. With that mind, I work well for couples who are seeking a truly unique, one-of-a-kind ceremony.

Our couples come from every walk of life. The one thing they have in common is that they are seeking a ceremonial experience that is distinctly their own. I offer unparalleled attention to detail and pride myself in creating a ceremony that is personalized and expresses what a couple feels in their hearts and what they want to share with their guests. I craft ceremonies that will be delivered with heart, enthusiasm and gusto! I take my job very seriously and strive to deliver to each and every client exactly the ceremony they envision for their wedding day!

Those who would benefit most from working with a Celebrant is anyone who is seeking a ceremony with an open-minded officiant that honors secular, civil, non religious, inter-faith, multi-cultural, or part of the LGBT community and love the idea of a ceremony that honors all that is meaningful to them!

FAQ pt 2

Q: WILL YOU WORK WITH THE OTHER VENDORS I ALREADY FOUND AND REALLY WANT TO WORK WITH?

CC: I happily consult with any other vendors you have chosen so we are on the same page regarding your ceremony. I become another piece of the puzzle that fits right where it's supposed to be.

Q: DO YOU TAKE CREDIT CARDS OR HAVE A PAYMENT PLAN?

CC: I have two payment options available. Although at this time, we cannot accept credit cards.

Full payment at agreement.

Payment in two installments: \$50 deposit due at contract signing and balance due at the rehearsal or ceremony.

Q: WHAT IF I WANT YOU TO OFFICIANT MY CEREMONY IN ANOTHER STATE OR AN AIRPLANE FLIGHT AWAY?

CC: Not a problem! I am happy to accommodate short term, months of planning, destination weddings, or ceremonies where travel is required. [additional fee may apply]

Q: MAY WE CONTACT SOME OF YOUR PREVIOUS CLIENTS TO SEE WHAT IT'S LIKE TO WORK WITH YOU?

CC: Yes! I encourage you to go to my TESTIMONIALS page and read them over. If you would like to move forward from there, I will gladly offer you contact information for a few of my previous clients. Then feel free to email or call them and ask what their experience was working with me.
