As well, it helps the PPCA to keep our special community treasure maintained. We hope you and your children take care of and enjoy what we have created. Playground is designed for children ages 2-10; adult supervision required. In consideration of neighbors, playground use ends at dark.

FIREHOUSE RENTAL RULES AND REQUIREMENTS

**PLEASE READ THESE RULES AND INITIAL INDICATING YOUR AGREEMENT TO ABIDE BY THEM.
RETURN THIS FORM WITH YOUR APPLICATION.**

Dear Renter: Thank you for choosing our historic venue for your special event. The following are requirements for renting the hall. Complying with these rules will ensure that you will receive a refund of your deposit. You are completely responsible for the hall during your rental time and the condition of the building at the end of your event.

RENTAL TIME*: The hall is rented for a minimum window of time totaling 6 hours. This includes 4 hours of event time, with 1 hour each for setup and breakdown/cleanup. Weddings have 10 hours. You can schedule extra time for an additional fee of \$25/hour for set up or cleanup and \$50 /hour for extra event time. This scheduled overtime must be paid in advance as well as confirmed with the manager. All events must comply with the curfew of 10–11pm quiet, and 11–midnight complete closure, depending on day of rental (weekday vs. weekend).

NON-SCHEDULED OVERTIME WILL BE BILLED AT \$50.00 PER HOUR TO RENTER AND/OR TAKEN FROM THE DEPOSIT. LOCAL AUTHORITIES MAY ENFORCE THE BUILDING CURFEW.

*We are happy to accommodate the needs for your event. Please discuss any overtime questions with the manager prior to the date of your event. Occasionally, if no one is renting the hall directly before your event, the manager can allow you to have one hour of paid set up time at an earlier time of day or the night before the event if the hall is available.

PAYMENT PROCEDURE: A deposit of \$400 is due at the time of scheduling an event to confirm your rental. This is a completely separate fee from the rental charge and is partially refundable following the event if no damage occurs, no additional cleanup is required, or no non-scheduled overtime is used. RENTAL FEES ARE DUE IN FULL ONE MONTH PRIOR TO THE EVENT. Payment should be made to the PPCA (Pedro Point Community Association) and sent to Pedro Point Firehouse, 1227 Danmann Ave, Pacifica, CA 94044. We accept checks or money orders. Sorry, but we do not accept credit cards. _____

CANCELLATION: If cancellation occurs within 30 days of the date of the rental then rental fees and full deposit will be refunded. If cancellation occurs less than 30 days before the scheduled date of the event then the janitorial fee portion of your deposit will be refunded, and the remainder withheld.

BUILDING ACCESS: The week of your event, you will be given a combination number to the front door lock and/or a key for building access for the day of your event. You will also be given a phone number in case you need to reach the manager for any rental emergencies. Please be sure that all lights, heater, running water, etc. are OFF and that the door is securely closed and locked when you leave. The "lock icon" on the front door keypad should be pressed to ensure the door is locked.

CLEANUP REQUIREMENTS: The property must be left in its original condition, that is, undamaged and ready for detailed cleaning at the end of your rental. This means at the end of your scheduled rental time the building must be ready for the janitorial staff to come in. Tables and chairs must be returned to their storage drawers, decorations taken down, garbage and sorted recycle disposed in outside garbage housing. Floors should be free of major debris, and outside of hall should show no sign of your event. Detailed cleanup requirements are listed separately and can also be downloaded from our website at www.pedropoint.org

CATERING AND RENTAL WARE: You may use professional catering and/or equipment rentals. The Firehouse provides tables and chairs to seat up to 125 (located under the stage area in large pull-out drawers). We have a wet bar area with an ice chest freezer, large professional size refrigerator, and double deep sink. There are NO COOKING APPLIANCES PROVIDED except for a microwave oven. Chafing dishes, hot plates, and coffee urns may be brought in and used in the wet bar area, with special attention to using "surge protecting" outlet plugs. (Most heating and cooling appliances use a lot of power.) The surge protector will eliminate circuit-outs. If caterers will be performing the building cleanup and table/chair

breakdown please be sure the lead caterer has a copy of the rental cleanup requirements, as you will ultimately be responsible for how the hall is left. _____

GARBAGE AND RECYCLE: We have garbage and recycle housing outside of the hall on the grass near the deck. It is very important that all event trash is properly stored in bags and put securely inside the housing with the doors locked. Because of raccoons and other animals, **no garbage is to be left out in any spot other than inside the garbage housing.** We ask that all recyclables including glass, cans, plastic bottles, aluminum chafing dishes, and flattened cardboard be separated from garbage to limit trash and to help our environment. Please take advantage of the recycle cans inside the hall during your event, and then empty these into the large recycling containers outside during your cleanup. Garbage bags are provided; however, extras are great to have on hand.

Each event is allocated 2 garbage cans within the garbage housing; use of extra cans and/or extra bagged garbage left inside the garbage housing will incur a charge of \$10 per can or bag.

CIGARETTE AND CIGAR BUTTS ARE GARBAGE AND NEED TO BE PROPERLY DISCARDED OF IN THE ASHTRAYS (to be later dumped in the trash). CIGARETTE AND CIGAR LITTER REMAINING AFTER YOUR EVENT WILL RESULT IN PARTIAL DEPOSIT WITHHOLDING. The front street area, deck, playground, and private driveway must be left free of debris. _____

PARTY RENTAL SUPPLIES DROP OFF AND PICK UP: In most cases, party rental supplies can be delivered to the hall just before your rental time, usually during set up time, and picked up at the end of the event. In some cases rental equipment is dropped off only on Fridays and picked up only on Mondays. To help accommodate your rentals, we can offer a layover of rental equipment (if neatly stacked out of the way) for \$25 per day. **Be sure to confirm with the manager** and your rental ware company for this extra usage, as there are times when a layover of equipment is not possible.

ACOUSTIC PANELS The PPCA has upgraded the hall acoustics with the installation of blue acoustic panels located on the walls of the Firehouse. These panels help with noise reduction and echo suppression, thereby improving the experience of conversation and music. Please take care not to touch, disturb, remove, decorate over, or manipulate the panels.

The following criteria must be strictly followed:

- NO SMOKING IN THE HALL AT ANY TIME
 - NO HOLES IN WALLS, NO TAPE OTHER THAN EASILY REMOVABLE PAINTER'S TAPE. NO STAPLES OR TACKS. (PLEASE DO YOUR BEST TO KEEP OUR NEWLY PAINTED WALLS IN GOOD CONDITION)
 - NO ALCOHOL SALES WITHOUT PROPER STATE "ABC LICENSE"
 - NO UNDERAGE DRINKING WILL BE ALLOWED
 - NO GLASS INSIDE THE PLAYGROUND AREA
 - NO UNSUPERVISED CHILDREN UNDER 12 YEARS ALLOWED IN THE PLAYGROUND
 - NO PLAYGROUND USE AFTER 9PM
 - NO USE OF DECORATIVE CONFETTI
 - NO LOUD MUSIC AFTER 10 pm*
- *Volume should not be heard outside of the building (please close the front and side doors at 10pm to prevent noise spillage, if music is used.)
- NO TRESPASSING OR LITTERING INTO NEIGHBOR'S PROPERTY (the driveways located on both sides of the Firehouse, and near the playground is PRIVATE. Please be respectful of our neighbors!!)
 - CANDLES OR OPEN FLAMES USAGE: Use only glass-enclosed votives when set atop a secondary flame-resistant plate/mirror/trivet. Use of sternos for catering permitted.

CLEANUP REQUIREMENTS: The following cleanup criteria and fee schedule will be used to determine the refund of your deposit.

ADDITIONAL CLEANUP REQUIRED AFTER YOUR EVENT WILL BE CHARGED A MINIMUM OF \$50/HOUR

The janitorial fee paid takes care of detailed cleanup needed to prepare the hall for the next event. This includes sweeping and mopping of floors, and cleaning and sanitizing the restrooms and bar area. This does not include cleaning above and beyond the normal; for example, janitorial is not responsible for frosting or spills on walls, restrooms left in exceptionally poor condition, or cigarette butts or debris left outside, etc. Please make sure that:

- All decorations including balloons are removed.
- Floors are left free of debris.
- Tables and chairs are properly stored in drawers.
- Counters are wiped and clean.
- Sink and wet bar area, including the microwave oven, refrigerator and freezer are left clean and empty. Garbage is bagged and stored inside of garbage housing.
- Recycling material is separated and contained inside of bins **inside of garbage housing**.
- Street area, sidewalk, deck and playground are free of cigarette butts and debris.
- Ashtrays are dumped into trash cans and replaced in the hall.

By initialing each section above, and below, I confirm that I have read the rental and cleaning responsibilities, and agree to abide by the detailed "cleanup requirements" list. I understand that not fulfilling these requirements may result in a withholding beyond the \$125 janitorial fee portion of the deposit, and/or forfeiture of the entire deposit amount.

PEDRO POINT FIREHOUSE RENTAL GUIDELINES

--PLEASE KEEP FOR YOUR REFERENCE--

Dear Renter: Thank you for booking your event with us. To ensure that the Firehouse will be as ready for the event following yours as it is for your event, we ask your cooperation with the following guidelines. You are completely responsible for the Pedro Point Firehouse during your rental time. You must make certain that the building is left clean, and in the condition that it was originally in, to insure full refund of your deposit.

PLEASE FOLLOW ALL OF THE CLEANUPREQUIREMENTS LISTED BELOW :

1. **TRASH AND RECYCLE***** VERY IMPORTANT*******WE PRACTICE RECYCLING AT THE FIREHOUSE. PLEASE SEPARATE ALL TRASH FROM RECYCLABLE MATERIALS. Please put trash bags in the trash containers located in the garbage housing outside by the front sidewalk. Make sure the doors on the refuse container are closed and locked securely. This will keep the raccoons from making a big mess. If you use more than 2 trash cans, **\$10.00 per additional can or bag will be deducted from your rental deposit.** RECYCLE -- ALL RECYCLABLE CONTAINERS: (GLASS BOTTLES, ALUMINUM CANS, PLASTIC BOTTLES AND CARDBOARD) MUST BE COLLECTED IN THE BLUE RECYCLE CONTAINERS LOCATED INSIDE THE GARBAGE HOUSING (2 LEFTHAND DOORS). PLEASE SEE LAMINATED GARBAGE/RECYCLE INSTRUCTIONS INSIDE BAR OR ON GABAGE HOUSING DOOR IF YOU ARE UNSURE ABOUT HOW TO SEPARATE.
There are smaller blue recycle cans inside the hall for use during the event, but these MUST be emptied into the larger outside containers. A \$50 FINE MAY BE ASSESSED IF RECYCLABLE MATERIALS ARE NOT SEPARATED FROM GARBAGE!! We appreciate your help to reduce waste and help keep our environment clean. Do not leave any debris on premises or the grounds outside of the building.
2. Smoking in the hall is prohibited. Please make sure that ashtrays are placed in front of the building and on the deck. Make sure that the deck and the sidewalks are swept clean of leftover butts when you leave. Ashtrays should be dumped into the trashcans and replaced inside the hall.
3. Remove all decorations, ribbon and tape from the walls. Please use only masking tape for easier removal and do not use anything that puts holes in the walls — no tacks or staples!!
4. Acoustic Panels: The Firehouse has begun its sound upgrade with the implementation of blue acoustic panels located on the walls of the Firehouse. These panels help with noise reduction and echo suppression, thereby improving the experience of conversation and music. Please take care not to touch, disturb, remove, decorate over, or manipulate these panels.
5. The floors and stage: Our hardwood floors are a great asset. Please make sure that objects are not dragged across the hardwood floors. Lift and carry objects during set up and cleanup.
6. Restack all folding chairs in carts carefully **as described inside the front of each cart.** Tables should be wiped clean and replaced in the rear of the carts. **Carts are very heavy so please use caution when moving them.** Please push them slowly to not bump the sides. Neatly stack non-folding wooden chairs in 'twos' on the stage.
7. Check restrooms for cleanliness: remove paper from floor, turn faucets off, toilets must be flushed and the water not running, lights turned off. (The light switch is near the thermostat on the wall behind the bar.) Please report any problems that you have with the bathroom plumbing.
8. Kitchen area: Wipe splatters and make sure the freezer and refrigerator doors are completely shut. Make sure sink is free of food/debris.
9. Turn off all light switches completely until they "click." Make sure that the thermostat is set to 'OFF.' Restroom lights located behind bar near sink. Main lights on opposite wall. Deck light near deck door. Front lights in entryway.
10. PLAYGROUND AREA must be left clean of debris and garbage, toys, etc. No smoking, or glass containers in playground. Adult supervision required during use.
11. For the consideration of neighbors, please keep the side door closed after 10:00 pm if music is used.
12. The driveways across from the Firehouse, and near the playground are private. Please do not park, or congregate, in the driveway area.

PLAYGROUND CURFEW IS AT DUSK. PLEASE ADVISE GUESTS TO COME INSIDE AFTER THIS TIME. ANY DAMAGE THAT OCCURS DURING YOUR RENTAL TIME WILL RESULT IN DEPOSIT DEDUCTIONS OR FORFEITURE. NON-SCHEDULED OVERTIME WILL RESULT IN PARTIAL DEDUCTION OF DEPOSIT. THE BUILDING MUST BE QUIET BY 10 PM AND VACATED BY MIDNIGHT. We thank you for your consideration.

QUICK CHECK LIST:

1. **RECYCLE** — separate from trash, put in containers outside in garbage housing. Trash gathered in bags and put in cans inside of garbage housing by sidewalk. LOCK DOORS OF GARBAGE HOUSING. Each event is given 2 garbage cans for use. Use of more than 2 cans will be charged \$10 per can or bag.
2. **ASHTRAYS** — empty, clean and replace inside.
3. **FLOORS AND STAGE** — wipe or sponge mop any spills or sticky spots. PLEASE DON'T DRAG FURNITURE ACROSS FLOORS.
4. **TABLES & CHAIRS** — wipe and replace in carts below the stage. **See inside the front of the carts for descriptions of contents.** **Caution: the carts are very heavy.**
