We Understand

IT'S THE BEST DAY OF YOUR LIFE

Perhaps you have had to reschedule, downsize or simply prefer to share your wedding celebration with only your closest friends and family; Resorts understands that things may be a little different now and cordially invites you to celebrate with us.

WITH THIS RING

"Presence" may have changed but the significance has not.

Resorts will live stream your ceremony to allow your virtual guests to join your most intimate group of witnesses as you exchange your solemn vows.

COME GATHER AT OUR TABLE

*Family*Food*Friends*

Once the "I Do"s are stated and the first kisses have landed, you will lead your guests to the dining area where they will enjoy a 5 course gourmet meal, complete with champagne toast and table wine service. A menu that will be carefully selected by you will be lovingly prepared and served by us.

*LIVE*LAUGH*LOVE*

The evening will end but your new chapter will just be beginning.
