BOWLING | POOL | LIVE BANDS | DUELING PIANOS

Fitz's Spare Keys, located in the center of downtown Elmhurst, is a family owned, fun and friendly bar/restaurant offering great food and drinks. It is easily accessible from all major highways and ¼ block from the Metra which makes it a great central meeting point. This 24,000 square foot live music venue, vintage bowling alley and pool hall has 14 bowling lanes, 6 pool tables and a live music room that features bands on Friday nights and dueling pianos on Saturday nights. There are two private party rooms with bowling alleys, pool tables and a full bar available for any special occasion. Our live music/piano room is also available for large private parties. This room has a stage and a new sound and lighting system. This is a great venue if you want to have your own band, DJ, or dueling piano show.

We are committed to providing the highest quality food and service while keeping our prices very reasonable. We can tailor any private event to meet your needs and can accommodate almost any menu request. We can also book a band, DJ, karaoke or dueling piano players for you.

Thank you in advance for considering Fitz's Spare Keys for your next event.

We hope to see you soon!
