

VISIT THE MUSEUM AT TAMÁSTLIKT CULTURAL INSTITUTE

At Tamástlikt Cultural Institute we have several options for your meetings, banquets, classes, and receptions – all located in the unique surroundings of our nationally renowned museum and interpretive center. The beautiful Tamástlikt Theater seats up to 75 people. Other spaces can perfectly accommodate small groups or be opened up to welcome larger groups. The meetings spaces are quiet and offer a unique décor rich in American Indian art while providing maximum efficiency, productivity, and technology. With large windows overlooking the Blue Mountains, the open rooms provide a tranquil environment for special events.

To reserve your space, contact Alice Johnson at (541)429-7716 or email her at alice.johnson@tamastlikt.org.
