WEDDING EVENT FAQs

WHERE DOES THE CEREMONY TAKE PLACE WHEN IT RAINS?

Your wedding ceremony will take place in your reception deck. We will move the wedding inside no later than thirty minutes prior to your guests boarding, if necessary.

WHEN CAN I DROP OFF THE SET UP ITEMS?

You can drop off all the items for your wedding (i.e. guest book, card box, favors) the Friday before your wedding to the boat. We can only accept one box of set up items. It is best to bring everything in a large storage bin so that we can re-pack that box for you at the end of your cruise. You will schedule this delivery time with your coordinator.

IS THERE A REHEARSAL?

We do not have rehearsals due to our cruise schedule. In the preliminary meeting we will go over your specific walking order. There will be an onboard coordinator assigned to your event that will direct the walking order and timing of events.

ARE THERE LIMITATIONS TO SET UP?

For any reception, set-up time is limited, so please be mindful when planning your decor. We can only allow favors and centerpieces for a shared deck reception. Anything brought aboard must be removed when you leave, and we are not responsible for items left behind.

HOW MUCH TIME DO I HAVE TO DECORATE?

This will be based on the cruises before and after yours. Please talk with your Wedding Coordinator so that you understand how much time you have to decorate. If you are uncertain please refer to your schedule of events for a general idea.

CAN I ADJUST MY MENU?

Our menus are curated to relieve some of the decision-making burden on you, but we can make modifications. Your wedding coordinator can discuss options and applicable costs if necessary.

WHAT ADDRESS DO I USE FOR INVITATIONS?

310 E. North Water Street, Chicago, Illinois 60611

WHERE DO MY GUESTS PARK?

Limited parking for Odyssey Chicago River is available at 219/225 E. North Water Street, on the lower level. Refer to website for alternate parking options.

DO YOU HAVE SAMPLE INVITATION WORDING?

Usually we recommend standard wedding invitation wording and on the insert card include more information about our unique venue, including where to park, boarding time, docking time.

WHEN IS MY FINAL PAYMENT DUE?

Final payment is due one month before your event date. You will be responsible for paying the full contracted amount at this time. Send all payments directly to your Account Manager.

CAN I ADD ON MORE PEOPLE?

Yes, you can certainly add on more people. For a shared deck reception it is best to add on as soon as possible to guarantee that we have the space to accommodate your additional guests. If you are on a private deck there are limitations to the amount of people that we can accommodate on each deck. Please be aware of your deck maximum so that you do not exceed it.

WHO WILL SET UP THE DECORATIONS?

The onboard coordinator will be there to assist in setting things out. For example; the card box, cake knife, guest book, and champagne flutes. If there is anything that will involve special set up or assembly you will need to assign someone from your party to do this.

WHO WILL BE WITH US ON THE DAY OF?

There are onboard coordinators that specialize in each boat; they will be there to assist with all coordination the day of your event. All information discussed with your coordinator before your event day will be communicated to the onboard staff.

CAN WE HAVE AN AISLE RUNNER?

The only runner that we can allow is an actual carpet runner through our vendor. We can not facilitate any plastic or cloth runners due to wind conditions. Please ask your Wedding Coordinator for more details if you are interested in renting.
