

BANQUETS & SPECIAL EVENTS

ONE of America's most prestigious automobile museums is also Reno's most unique spot for holding corporate meetings, luncheons, receptions, sit-down dinners, weddings or other special events. The National Automobile Museum (The Harrah Collection) welcomes banquets of 60 or more people and receptions for up to 1,200. Located in downtown Reno just a few blocks from many of the major casinos, the Museum is an ideal location with ample free parking.

With an array of more than 200 exceptional vehicles, period street settings, historical timelines, vintage clothing displays, special exhibits and much more, visitors are transported back into the sights and sounds of the past. The Museum has been ranked One of America's Top 10 Automobile Museums.
